Looking Ahead to the Melvin Jones Fellowship Honors Luncheon

Please plan now to attend the 2011-2012 Melvin Jones Honors Luncheon and help us honor the new Melvin Jones Fellows and also recognize the current MJF and Progressive Melvin Jones Fellows. While a Lion or Lioness may contribute toward their own Melvin Jones Fellowship or Progressive Melvin Jones Fellowship, it is generally funded by the club or District. LCIF welcomes all contributions from individual members, clubs or Districts. It is only fitting to recognize the dedication of these Lions and Lionesses and we need to be in attendance to do this.

What you need to do now:

1. Choose your club members to be honored with a Melvin Jones Fellowship at the luncheon
2. Notify me with your choices as soon as possible and I will contact LCIF for the fellowships
3. Encourage all club members to attend
4. Mark your calendar to attend and bring other members with you
