

Subject: Post convention tours for the 91st Lions Clubs International Convention (2008) in Bangkok

Dear Sir/Madam,

Hundreds of Lions Clubs International members and their families throughout U.S.A. and Canada have enjoyed our pre and post International Convention tours & travel arrangements. Some of those travel arrangements have been for those who attended the 1987 Convention in Taipei, the 1991 Convention in Brisbane, the 1992 Convention in Hong Kong, the 1995 Convention in Seoul, the 1998 Convention in Birmingham, the 2000 Convention in Hawaii, the 2002 Convention in Osaka, and the 2005 Convention in Hong Kong.

We have set up post convention tours for the 91st Lions Clubs International Convention (2008) in Bangkok, Thailand. You may visit our website at www.taiolidays.com and click on Trade Fair Tour to review the itineraries and other information. You can have your own air-ticket to join our tours in Los Angeles or Bangkok. Alternatively, we can arrange your flights between your hometown and Los Angeles so that you can join our tour in Los Angeles. Just let us know your departure and returning dates and airport(s) via email, we will be pleased to submit a proposal including flight schedule and add-on/additional airfare to you for your consideration.

We would appreciate it if you could kindly relay this email to your friends who are thinking of attending the said international convention in Bangkok.

Happy Holidays to you and your family!

Disclaimer: Lions Clubs International has not reviewed the quality of these tours and does not endorse these tours and our company. Attendance in this is completely voluntary.
