April 2018

33rd District 14-K Convention Addressed By North Carolina International Director; Lion Karlene K. Laub Elected Governor

The 33rd annual convention of District 14-K was a success as the Lions, Lionesses and Leos gathered at the Holiday Inn in Breinigsville. International Director Gwen White of North Carolina addressed them; Lion Karlene Laub of the Upper Lehigh Lions was elected formally as the 2018-2019 District Governor; and District Governor Donald K. Kaufman was honored.

With a sense of humor, ID White opened her remarks that drew laughter from the audience. She got their attention as she noted that Lions have a passion. "We are a force, we need to focus on the needs of our communities," she said, "Whatever you want to do, you have the opportunity. We have the best attitude." She added, "Are you listening to your community? Do what you do with enthusiasm, communicate."

As a token of the district's appreciation, ID White received a glass star of Bethlehem, while her husband, Rhett, received a booklet on Pennsylvania. In turn, they gave DG Kaufman a

bag of items representative of their state.

Lion Don presented a certificate of appreciation to Lion Richard Schreiner of the Kuhnsville Lions Club and ID White presented an International President's Certificate of Appreciation to Lion Daniel Lombardo, Region 1, Zone C chairman, and a member of the Lehigh Township Lions Club.

DG Kaufman presented a glass trophy from the Lions of Pennsylvania to Governor-elect Karlene Laub.

A special tribute to the dedication and hard work of DG Kaufman for a successful year was given by PDG Fred Folland and secretary Lion Cheryl Fatzinger.

Melvin Jones Fellows

The second part of the Saturday night banquet was to honor six Lions and Lionesses for their outstanding service and dedication to Lionism by the presentation of Melvin Jones Fellow plaques. The late Charles Billings of the Bath Lions Club was honored posthumously, and his plaque was accepted by fellow Lion Donald Halbfoerster. Other fellowships went to DG Kaufman, a member of the Emmaus Lions Club; Heather Day and Dolly Kichline, both of the Lower Lehigh Lions Club; Yvonne Transue of the Moore Township

Dist. Bowl-A-Thon April 22 at Whitehall and Northampton

The annual District 14-K Bowl-A-Thon will be held at two locations on Sunday, April 22 - Jordan Lanes at 73 Jordan

Parkway, Whitehall and at Hampton Lanes, 326 Main Street, Northampton. Three hours are the same at both places, 1:00 to 4:00 pm., for the Lion, Lioness and Leo club bowlers to bowl one game. The site chairpersons are Lion Debbie Lillegard and Lion Diana Toolan.

Pledge sheets have been sent to all the club presidents for their members. The pledge amount is per pin based on the bowler's score, or a flat donation of as many dollars the bowler is pledging. The highest pledge bowlers will receive \$50.00. The second highest pledge bowler will receive \$25.00.

Lion Lillegard needs this information before Sunday, April 15: The club member responsible for

this project in his or her club; the number of bowlers; and where they are bowling, either by e-mail deblillegard@yahoo.com or cell phone 610-739-9434.

Bring your pledge sheet the day of the event; give the yellow copy either to Lion Debbie or Lion Diana when you sign in at the bowling alley.

No money will be collected the day of the bowl-a-thon. Each bowler is responsible for turning in their donations received to their club treasurer. The club treasurer will write one check covering 40% of all donations received by the bowler, made out to District 14-K and mail it to Lion Debbie Lillegard, 8519 Putnam Court, Breinigsville, PA 18031.

District Governor's Message

**"Impossible to see, the future is."
- Yoda**

It's a Great Time to be a Lion, Leo and Lioness!
Let me share an article I found from the National Council of Non-profits concerning Budget Cuts.

Since the Great Recession, state and local governments across the country have been cutting their budgets and pulling back from providing services to people in their communities, while expecting non-profits and foundations to fill the gaps. States, on average, receive 31% of their revenues from the federal government. Those revenues will likely be cut as a result of the tax cut bills because of this basic but rarely discussed formula: Tax cuts = revenue cuts = spending cuts = not enough money to meet community needs = more unfunded demand on non-profits to bear the burden of increased human needs.

Non-profit organizations like Lions, Rotary and Kiwanis will have to step up their charitable efforts in order to maintain the current level of service needed. As Lions - we need to add more members into our clubs and develop new clubs where needed. Communities will suffer in the long run if non-profit clubs decline. We must figure out how to attract new members now!

Can I deduct Lions dues? According to TURBO TAX - Yes, You Can!

Generally, you can't deduct the cost of membership in any club organized for business, pleasure, recreation, or other social purpose. This includes business, social, athletic, luncheon, sporting, airline, hotel, golf, and country clubs. Since Lions Clubs qualify as tax-deductible charitable organizations, the dues can be reported as a charitable cash donation. Check with your tax professional.

District 14-K Leadership - What if no one steps up?

Pending election results, our 2018-2019 incoming District Governor will be 1st VDG Karlene Laub. Lion Karlene is poised to be a great governor and will lead our membership with energy and enthusiasm. Since there is no one positioned to follow Lion Karlene, she will need all the support we can give her. I expect the PDG's to fill in wherever they can to help make Lion Karlene's year a success. I'm still hopeful that we will find a 1st and a 2nd VDG to lead our District. If not, District 14-K will be absorbed into bordering districts.

As we enter the final quarter of our year, I would like to thank every member for your service and continued support of Lionism. You are needed more than ever - today, tomorrow and into the future.

In Lionism,
DG Don Kaufman

District Governor-Elect's Message

Convention a Huge Success; Thanks For Vote to Be Your Next Governor

Are we done with the snow? I hope so. Enough is enough. My daffodils and tulips are popping their heads out, but the cold weather is not letting them get big and beautiful. I was also concerned about the fact that there was snow in the yard and our family egg hunt would have had to be done with white eggs, otherwise they would be too easy to find. Think about it. It would be the strangest egg hunt ever.

Another District 14-K Convention is in the books. What a great convention it was. A big thank you to everyone on the committee who worked so hard to make it happen. There were some new seminars, plenty of baskets, etc. for the raffle, fun with fellow Lions, a service project performed by the Leos and not to forget the visit by ID Gwen White and PDG Rhett White. They are both our kind of people and her humor and wit fit right in with that of our District Governor. At the luncheon, we not only honored our Leos with a scholarship and a Leo of the Year, but also the students and their families who were there with their Peace Posters. The first place winner is a 5th grade student and it is just amazing how much talent these students have. Our very funny tail twister, Lion Nancy Keller, didn't disappoint us. Again, this year, her humor and talents shone bright. She very cleverly introduced us to the life of District Governor Don. Did you know he grew up in Oley, Pa.? Nancy noted that most people go to Oley because they are just passing through, but Don's family managed to settle there. That tells you a lot right there. Because his biggest aspiration in life was to be an astronaut, only to put that aside to be our District Governor, he was surprised to receive a letter from NASA and his own space helmet. He has been invited by President Trump and the executives at NASA to partner with them as the first Lion in space.

On a serious note, I'd like to thank everyone who voted for me to become your next District Governor. I have spent a good deal of time in training sessions and retreats and feel confident that I am ready to lead our District in 2018-2019. Our Executive Committee has been an inspiration to me and has been advising me throughout the years. Our clubs are truly in good hands. My only regret is that there are no Lions in line behind me to carry on in our district. As noted before, I will be making some changes to spend some quality time with your clubs. Unfortunately, I cannot be everywhere. I may not be available to attend all the functions I would like. I will be relying on our Past District Governors to help with installations, induction of new members, Charter Nights and other special events.

Lastly, thank you to District Don Kaufman for everything he did for District 14-K in his year as Governor. He has worked very hard to make some new changes and ideas that will point us in a new direction. As I stated previously, I may have more years on DG Don as a Lion, but he has inspired me and taught me so much more about Lions than I knew previously. He spoke at every visitation without any notes because he studied what it means to be a Lion and it's in his heart. I hope I can be as articulate as he was when speaking. He will be a hard act to follow.

Seminars

Seminars were well attended in the morning. One of the best attended was run by IPDG Marsha Johnston, with several Lions dressed as penguins and a peacock. It stressed 14 bird strategies for getting new members that came from the Wharton School of Business. She said, "No matter what our occupation, we work together and we serve."

Another seminar on membership development was done by ID Gwen and PDG Rhett White. He asked the Lions what they do to get people to join, and echoed DG Kaufman's theme that members matter. He said, "It provides an opportunity for more people to serve, and there is fellowship and extra willing hands. Lions are recognized for their service work, providing an opportunity for prestige and service to the community." He added, "One of the biggest problems is getting a guiding Lion. It takes a commitment." ID Gwen noted that Lionesses have until June to join a Lions club or start a new club in order to retain their years of service.

Other seminars were for new presidents , vice presidents and secretaries and success stories by clubs.

Camperships Wanted from Clubs for Beacon Lodge

With the 2018 camping season at Pa. Lions Beacon Lodge starting on June 2, the board is again looking for clubs to help with sponsoring adult and young campers. The fees for Pennsylvania campers is \$450.00 or \$500.00 for the six-day sessions and \$550.00 for the eleven-day sessions (depending on the criteria of each session).

"The camp will accept undesignated camper sponsorships and provide them to a camper who is in need of financial help," says PDG Dennis Butz, a Beacon Lodge board member from District 14-K.

The Beacon Lodge Wish List has been sent to all of our clubs and is also available on the district and camp websites. Please have your club consider making a material or cash donation for one or more of the many items on the list. These donations from the Lions, Lioness and Leo

clubs save the camp a lot of money.

Pennsylvania Lions Appreciation Day at Beacon Lodge Camp will be held on July 15. This is always one of the highlights of each camping season, and should be a must on your list of things to do. Tour the facilities and enjoy the delicious dinner in the camp pavilion.

For more details, call PDG Butz at 610-351-9288 or invite him to speak at your club meeting on Beacon Lodge.

Lionesses May Become Lions; Deadline June 28

District Governor-Elect Karlene Laub reminded Lionesses recently that they need to decide what they want to do by this summer.

She said DG Don

Kaufman and she are working with the Lioness Clubs to make some important decisions on or before June 28, 2018.

There are Lioness members who have many years of dedicated service. If these Lionesses join a Lions club or start their own Lions club by the end of June, they will keep their years of service. If not, they will lose their years of service and not be recognized as ever being a Lion/Lioness. We need to keep these hard working, service-minded women in District 14-K. Please help the District Governor and me in this endeavor."

As District Governor Kaufman has stressed, "Every Member Matters," the district needs more members to have an impact of service.

Did Your Club Receive a Banner Patch For Services?

We're now almost through our 100-year Lions Anniversary Celebration. It will conclude in Las Vegas July 4th. So how are we doing? asks PDG Glen Santee, district centennial coordinator.

Our challenge going into this anniversary was to serve 100 million people in four areas, Youth, Environment, Vision and Hunger. We did this long ago! So a new goal was set, 200 million! Well, we are at 200,168,451. We still have five months!

Congratulations to all the clubs who have received banner patches and legacy project recognition. Your efforts and reports are known on the international level. You the Lions of 14-K have been recognized publicly at the February 2nd State Council of Lions Clubs of Pennsylvania meeting.

What's next? Taking on challenge number five, Juvenile Pancreatic Cancer and Diabetes? Going into the future as Lions more dedicated than ever. To live our theme WE SERVE! Now look forward to what we as clubs of 14-K are going to embrace our future!

There's no limit to your ability. You are the Lions who are changing the world! Thank you.
