

DISTRICT 14K

# Tattle Tailer

2020

Lions, Lion Lionesses and Leos,

I look forward to serving as your District Governor for 2020-2021. Thank you for electing me to serve. I am grateful to have IPDG Don Kaufman as my mentor, having served in this position for 2 of the last 3 years. Since I am the first to serve from the Lehigh Township Lions Club, I am thankful that he and PDG Karlene Laub have taken me under their mane. I am so happy to have a Strong Cabinet, Executive Committee and Program Representatives in place. I am confident all will work hard to make this a successful year.

I have chosen the theme “Ask what your District can do for you”. The reason I am focusing on this is I come from a very strong club, but one that does not fully recognize what the District can do. Programs such as Charitable Enterprises and the Pennsylvania Lions Foundation need to be promoted and supported as they are there to help the Clubs do things they cannot manage on their own to better serve the people in our communities. We all do a tremendous job in our local communities. We can do even more with these types of Organizations.

Our International President Dr. Jung-Yul Choi has chosen “Diversify Your Service” for his theme. We serve all people in all places. Lions are a shining example to the world of the good that can be accomplished by uniting in harmony. We are known for our strength and ability to help others-and this is only accomplished Through Diversity.

I thank IPDG Don Kaufman for all he has done for our District. We would not have District 14-K without him. He has taught me so much and I definitely have a lot more to learn. I look forward to the challenge and to create opportunity from Adversity.

Yours in Lionism,  
Lion Daniel A Lombardo  
District Governor

## Dear Lions, Lionesses, & Leos

This Lions' year begins like no other. The world has shifted profoundly, though one thing has remained constant: ***Our World is in need!*** Our challenge is to navigate a new normal way of doing things.

To stay safe, we may not be gathering in person; however, Clubs and Lions are still encouraged to donate funds to our charities. What a conundrum! If your club's funds dwindled, perhaps an alternate to giving dollars would be to give a "gift of service." (Examples: Be a friend with a listening ear to a shut-in – give them a call to say you care. Transport someone to a medical appointment. Lend person-hours to refurbish an area of your community.)

This is the time for clubs to learn new ways to “*virtually engage*” our communities so we may continue to SERVE. Lions Virtual Universe is good resource: become a subscriber on <https://www.lionsclubs.org/en/virtual-events-center>

On 7/11/2020, Lions Virtual Universe offered the following course material that is now available on YouTube: [Lions Virtual: Online Fundraising Links and Materials](#) (featuring fundraising via Square) and [Lions Virtual: Online Fundraising w/PayPal & e-Clubhouse](#). Subscribe to Lions Virtual on YouTube for other helpful tutorials.

Without a doubt, this will be one of the most challenging years in Lions' history. District 14-K is committed to supporting each club and sharing all ideas forthcoming from LCI to enable us to SERVE.

We are ALL in the same boat trying to figure out how we are going to survive during a pandemic. We are ALL learning *on the fly* and must share our ideas and successes.

As social distancing eases, I look forward to the Governor Visitations and getting to know each club. Thank you for electing me to serve as First Vice District Governor of District 14-K.

Yours in Lionism,  
Debbie Lillegard  
First Vice District Governor

Greetings District 14-K Lions, Lionesses, and LEOS!

July 6, 2020

District Governor Lion Dan Lombardo has called for the **First Cabinet Meeting** of 2020-2021. All members of District 14-K are invited and encouraged to attend. In keeping with the current COVID restrictions, we will be meeting outdoors for a picnic. Masks will be required, and social distancing will be adhered to.

This Cabinet Meeting will be different than those in the past. The 14K Convention was cancelled in April and we were unable to present awards to the Lions who deserved to be honored for the work they did in 2019-2020, therefore we will take the opportunity to do that at this time. Along with IPDG's Don Kaufman's service awards, Devoted to Service awards, etc., Melvin Jones recognitions will also be presented. This is a special meeting amid an unusual time, and we hope you will attend. It will be a long-awaited day of fun and fellowship as we will be able to be together again. Region 3 Zone Chairpersons are overseeing the arrangements.

## Wilson Borough Lions Club

As with most organizations in the state, our club has really hit the pause button since March. However, we have been busy showing our support for the front line workers here in the Wilson. In April our club donated gift cards for pizza and bagels to the medical staff at Easton Hospital, the staff at Eastwood Healthcare & Rehabilitation Center, the Wilson Fire and Police Departments and Suburban EMS (see the attached photos). In addition, the Wilson Lions Club contracted with two local seamstresses to produce masks for employees at Weis Supermarket in Palmer Township and Shoprite of Bethlehem.

The card says it all! Thank you Wilson Borough Lions Club for your thoughtful gift to our hard-working staff, we love our wonderful community here in Easton!

Can't wait to dig in! 😊

## USA Canada Lions Virtual Leadership Experience

July 2020 Newsletter

### **The USA Canada Lions Virtual Leadership Experience is an OPPORTUNITY!**

Lions will soon be able to register for this online event to learn from Lions Clubs International Leaders, featured professional speakers and numerous seminars, while still in the safety and convenience of their own homes. Save the date and join the fun!

***Racing into the Future with Kindness and Diversity***

***September 25-27, 2020***

### **From Our General Chair, PID Harvey Whitley**

Over the last four months, we have wrestled with whether we could hold the 2020 USA/Canada Lions Leadership Forum in Louisville. We finally had to cancel in mid-June and work through the process of refunding or transferring your registration to 2021 Des Moines. Many of you chose to move your registration to Des Moines and the Forum appreciates that and is looking forward to seeing you there next year in September.

It is a long time until September 2021, so your 2020 Forum Planning Committee gave serious thought as to what we can do in the meantime. Our thought process turned to what can be done virtually, just this one time, to transition until we can meet again physically in Des Moines to not only hold our Forum seminars and programs, but to celebrate being together socially as Lions. We have reorganized our existing Planning Committee into working groups that have begun the process of providing for you a virtual three-day experience to take place on September 25, 26, 27, 2020. The theme will be:

***"USA Canada Lions Virtual Leadership Experience: Racing into the Future with Kindness and Diversity"***

The experience has been set over a three-day period with segments each day. It will feature professional speakers as well as leadership seminars covering a vast array of topics. The registration for the entire experience will be only \$20.

Further experience details and registration instructions will be published soon but I wanted to let you know now so that you can mark your calendars and plan on attending.

As you can see from our theme of ***"Racing into the Future with Kindness and Diversity"***, we have tried to weave together our original racing theme from Louisville of ***"And We're Off...To Winning Leadership"*** along with our international LCI theme of **kindness and diversity**. We will miss going to Louisville this year but that does not mean we cannot continue to hone our leadership skills in order to better be able to work together in delivering the kindness in service that our world needs.

We look forward to sharing this virtual leadership experience with you.

PID Harvey Whitley

Forum General Chairperson

## What is a Virtual Forum?

At a face to face Forum, Lions attend the general sessions and seminars. They also like to check out the exhibits and hear from the sponsors. Many would have attended the Lions University Graduation. With our Virtual Leadership Experience, several of these activities will still be available.

On the days of the experience, Lions will be provided a link that will connect to a virtual convention hall. Once there, Lions will be able to click and choose to join a general session or a seminar. There will also be buttons to click to visit the exhibits, check out Lions University and so much more. Sponsors will have several ways to connect to Lions.

No worries, if you are not a technology guru. If you are reading this newsletter you have what it takes! Power up your computer! Go to the link! Click on a button! Participate and enjoy! Any Lion can and should register for the

## Calling all Lions and Leos

Have you heard the great news about the **"USA Canada Lions Virtual Leadership Experience: Racing into the Future with Kindness and Diversity?"** This new presentation will be held September 25-27. It will begin with a General Session on Friday evening, with Chairperson PID Harvey Whitley welcoming everyone, followed by a tribute to the late VP Haynes Townsend, and keynote speaker Katherine Greenland.

Although we are not able to facilitate the 80 wonderful seminars that were originally scheduled, the committee is excited to present 19 sessions which focus on the North American Membership Initiative, Individual Enhancement Plans, Building Success, Dealing with Contentious Members, Attracting Younger Members, and suggestions for Attracting and Retaining Members, as well as Projects for Women and Families. In addition, we will learn how to charter a Leo Club and successfully sponsor a Campus Club. There will be information on LCI's Digital Programs and Legal Issues. If you feel uncomfortable Approaching the Younger Generation or if your Zone Meetings need a make-over, you'll definitely want to tune into these seminars.

Our International President Dr. Jung Yul Choi will speak at the General Session on Saturday, followed by LCIF Chairperson PIP Gudrun Yngvadottir and KaSondra Byrd who will share information on LCIF's grant programs. Besides several educational seminars on Saturday afternoon, Four Diamonds will sponsor a Childhood Cancer Symposium, while the City of Hope will present the "Faces of Diabetes Innovation" on Sunday. Furthermore, there will be updates on Campaign 100.

If you ever wondered how the Forum began, join VP Brian Sheehan as he talks with three of our Founding Fathers: PIP Joe Wroblewski, PIP Judge Brian Stevenson, and PID Lacy Presnell, who will not only educate us, but will surely entertain us with their humorous personalities.

To wrap things up on Sunday afternoon, we will hear from our other keynote speaker, Striker Corbin, and get a sneak peek at next year's Forum Venue: Des Moines.

Watch for more information about this new and exciting Virtual Experience because you won't want to miss it!
