Vol. XXXII, No. 6

## Childhood Cancer Subject of Talk at 2nd Cabinet Meeting

At the second Cabinet Meeting of District 14-K for Lions Year 2018-19, held at the Brass Rail restaurant in Allentown, on Saturday, Nov. 10, the guest speaker was Doug Sheriff from the Angel 34 Foundation, based in Bushkill Township, Northampton County.

Speaker Doug Sheriff

Angel 34 provides service, support and hope for those battling childhood cancers. Sheriff told the Lions that 100,000 children around the world die each year from the disease. Their daughter, Nicole, was one of those stricken.

Even though she was ill, Nicole always helped out, Sheriff said, but she died at age 14. She would have been 29 now.

He said they work very closely to the hospitals, which have pediatric hospices. They offer programs for the family as their child goes through 2-1/2 to 3-1/2 years of treatments.

The Sheriffs are president and vice president of Angel 34, a name they picked for it as the number 34 coincidentally kept coming up. They plan on moving the program to different counties, feeling it is their job to educate the people about childhood cancer and to raise money to carry on their work.

Mr. and Mrs. Sheriff will give a seminar on Angel 34 at the April 27, 2019 District 14-K convention.

### Cabinet Meeting Notes

## District Governor's Message

### Make The Holiday Brighter for Others Less Fortunate

The holidays are upon us. Please take the time to remember what Christmas is about including helping to make the holiday brighter for others less fortunate than ourselves. As Lions, we spend the year serving others and making their lives a little better and at this time of the year, there are many opportunities to focus on the children. There are coat drives, parties, gift programs, mitten trees, holiday food drives, etc. Make it priority to help in your community. Smiling faces on children make the holidays cheerful.

I continue my trek around Lehigh and Northampton Counties meeting Lions on a more personal basis and it has been extremely gratifying. As PID Gene Speiss stated at our recent State Council Mtg., "It's Not About Numbers. It's About How Many People We Can Serve with The Numbers We Do Have." This is never more evident than when I work side-by-side with dedicated Lions, who even with the smaller clubs, are working very hard for their communities. In District 14-K it is really about what the clubs are doing with the members they have. They are learning to work smarter, not harder to raise funds. I've seen many examples of this as I move from club to club. I helped the Alburts Lions on Halloween at the Alburts Community Center as they helped with the fun, food and games for Halloweeners and their families. The Palmer Township Lions were very successful at the Easton Redner's with their White Cane. It was cold, but a few people made a big difference. I helped Bethlehem Township make Christmas Gift boxes. Upper Lehigh made 65 gift boxes of cookies for the clients at the Northern Lehigh Food Bank. The Bath Lions Club tried a new event and it was extremely successful. One of the new members had the idea for a toy raffle. They took her advice to try something new and it worked, so clubs, listen to your new members.

I attended the second State Council meeting and brought back information that I shared at the Cabinet meeting and with the Zone Chairs, so If you haven't seen the info, please attend your Zone meeting. It's how we get the information out to all Lions. Speaking of Zone meetings, **Congratulations to Region 2 Zone B and Zone Chairs Lion Mary Neher and Kathy Fentemacher for having an excellent Zone meeting and where all the clubs in the Zone were represented.** The Zone Chairs are working very hard to get information out to their clubs. Help them out by sponsoring a Zone meeting when they ask and please take the information they share back to your clubs.

**I Wish Everyone A Happy and Blessed Holiday Season. Spend Time with Your Family and Extended Families and Remember the Reason for The Season!!!!**

Love to My Lions Family,

*DG Karlene Laub*

## Club and District Officers Meet to Air Membership

A special meeting of Past District Governors, club presidents, immediate presidents, and secretaries was held on Monday, November 5 in Christ U.C.C. Church at 5050 Airport Road, Allentown. Fifty-eight attended to discuss what they thought about membership in the Lions clubs of District 14-K.

District Governor Karlene Laub and 1st Vice District Governor-PDG Donald Kaufman presided. Various opinions were offered in response to a survey questionnaire the clubs received earlier. We are all part of the district, and at zone meetings we can learn what others are doing.

These special meetings are an effort to determine how we can get and keep new members if we are to survive as a district. Since the start of the year, the district gained 15 new members, but 19 were dropped.

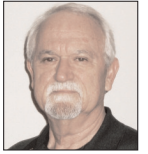

Another Past District Governors Advisory Committee round table discussion is planned for February 11 at the same location. Everyone is invited.

## PA Lions Sight Conservation Eye Research

At their October 26 meeting in Hershey, the Pa. Lions Sight Conservation & Eye Research Foundation, several grants were approved: \$25,000 for University of Pittsburgh; \$17,000 and \$21,000 to Wills Eye Hospital; \$24,700 to PSU Hershey for research.

The year-end report of contributions was presented. District 14-K contributions from five clubs amounted to \$1,233.05 and the District Governors

## 1st Vice District Governor Message

### Stock Up For Yourselfs And Give To Your Local Food Bank

It's a Great Time to be a Lion, Leo and Lioness!

The Lehigh Valley received the first snow storm of the season on November 15th with unpredicted high accumulations. Most people traveling on that day will not soon forget the terrible traffic conditions and delays created by the storm. Club meetings and zone meetings were cancelled for that evening. The homeless shelters around the valley received lots of guests because of the snow. We should expect the unexpected to happen again and prepare accordingly. Remember to stock up on the essentials for yourself and give to your local food banks and homeless shelters.

### The Search Continues

We are still hoping someone is willing to step up and become our 1st Vice District Governor for 2019-2020. In order for a Lion to be eligible and to qualify for selection as first or second vice district governor, he/she must:

1. Be an Active Member in good standing of a chartered Lions club in good standing in his/her single or sub-district.
2. Have served or will have served at the time he/she takes office as first or second vice district governor:
  - a. As officer of a Lions club for a full term or major portion thereof; and
  - b. As a member of the district cabinet for a full term or major portion thereof.
  - c. None of the above may be accomplished concurrently.

If you have any questions concerning your qualifications - please contact me or District Governor Karlene Laub. We will be glad to answer any of your questions.

We need your help to identify new District leadership for the coming years. While the clubs are the most essential part of our Lions organization, our Districts are the glue that holds our clubs together. Districts are those groups that provide assistance to the clubs and ideas for the clubs. It is the Districts that help the clubs work together so that there can be a focused effort to serve. Each District is so important to the work of Lions Clubs International. For 100 years, LCI depended on the District Governor, and now we depend on the District Governor Team to get the LCI President's message to each Lion. Today, in this changing world, it is more important than ever that each of our Lions be the most knowledgeable and the best prepared to serve. Please consider volunteering to serve your District today.

In Lionism,

• Global Membership Team leader PCC Karen Brady said, "Membership growth is the responsibility of every Lion. What are you doing? Are you asking others to join Lions? Are you promoting service projects to attract new members? Does your club even do service projects?...Tell everyone who will listen about the organizations that your club and Lions in general support."

• Global Service Team leader PDG Marsha Johnston suggested these services: hygiene packets for the homeless, activity packets for pediatric patients and nursing homes, Christmas cards for service men and women, collecting recycling plastic bags that can be converted to park benches, and plastic bags crocheted with yarn to make mats for the homeless.

• In DG Karlene Laub's report, she said that secretaries can make changes to MyLCI on club activities; clubs need to advertise in newsletters, cable services, signs, and Facebook; clubs must designate a GST person; the state office is preparing a fundraiser/service database for the clubs to see what others are doing; drop members only for non-payment of dues; get people to do service; and "It's not about numbers. It's about how many people we can serve with the numbers we have," but our goal this year should be four new members in each club.

• It was reported that five clubs (Emmaus, Lower Lehigh, Mountainville, Plainfield Twp., Saucon Valley) and District 14-K donated \$2,233.05 to the Pa. Lions Sight Conservation & Eye Research Foundation last year, with the total for all districts \$96,686.73.
