

DISTRICT 14K

# Tattle Tailer

DECEMBER 2021

## Rally & Roar!

The District 14-K Rally was a *ROARING* success! Attendance was high as this traditional gathering was finally held in our not-yet- post-pandemic world. Lions once again enjoyed root beer and pretzels during the social hour and family-style servings of ham and chicken with assorted side dishes. District Governor Debbie Lillegard spoke on this year's Lions Club International President Douglas X. Alexander's theme "Service from the Heart" and D 14-K's theme "Serving with the Heart of Lion." IPDG Dan Lombardo, unable to hold a Rally last year, spoke on the availability of funds for club projects. Later, Jonathan Carver, Executive Director of the Pennsylvania Lions Beacon Lodge Camp, spoke engagingly about Beacon Lodge and its ownership by all PA Lions, inviting us to visit and tour the camp. Please consider inviting Jonathan to speak at zone and/or club meetings.

## District Governor's Message

Dear Lions and Leos,

A year ago we all found ourselves navigating uncharted waters afflicted with the unwelcomed COVID-19 pandemic: social distancing, wearing masks, will there be a vaccination, etc. Though we wished for things to return to normal, like it or not, we had to accept change. All was not lost, and Lions found new ways to navigate 2021: zoom meetings, reinvented fundraisers, increased charitable giving, etc.

One way District 14-K elected to “give back” to clubs was offer “club buy-in/participation” at our recent “T’was the Bingo Before Black Friday” and basket raffle. The prizes were top notch! While (at the time of writing this message) the accounting is not finalized, we know it was a “roaring \$ success”. Those clubs participating and pediatric cancer will be nicely compensated. Thank you to our organizer Lion Donna Bok for her many hours of preparation and foresight for this event.

Growing our leadership is a priority for Lions at all levels. We had a great response from five 14-K applicants wishing to attend upcoming Regional Lions Learning Institute (RLLI) next March.

MD14 has the opportunity to bid on hosting the 2026 USA/CANADA Leadership Forum in Erie, PA. We asked to SURVEY clubs in 14-K to determine their interest in participating in a “local forum.” Yes, 2026 is a long way off and we are not asking you to sign up now, we just need to know if you would be interested in attending a Forum. (On a personal note, I attended the last forum in Des Moines, Iowa and it was an awesome opportunity to network with other Lions and learn more about what’s happening/best practices around CA1 & CA2.) To respond to SURVEY, please respond to PDG Don McConnell 14U, [donalddjmc@yahoo.com](mailto:donalddjmc@yahoo.com).

Another priority is growing Lions’ membership. In CA1 & CA2, membership is growing! More Lions equals more services from the heart. Last month, 14-K welcomed 6 new Lions. In addition, 14-K is pleased to announce we are chartering a new branch club: “Sights for Hope of Lehigh Valley Lions Club.” 14-K GMT/GMA Chair PCC Karen Brady is putting together a GMA TEAM to work with clubs to build membership. Good news: LCI extended registration fee waiver through June 30, 2022!

**Important:** as we approach end of calendar year 12/31/2021, LCI will count each club's membership to determine your club dues for next year. **NOW** is the time to be sure your membership count is accurate on MYLCI. Reminder District Governor Projects monies are due by January 31, 2022.

MD-14 obtained a \$15,000 LCIF grant for public relations. Happy to announce 14-K voted to participate in an affiliated upcoming Lions billboard project within Lehigh and Northampton Counties. More information to follow...stay tuned!

MD-14 recently shared an opportunity for clubs/community to provide items for our military abroad at Christmas: **PA LIONS ADOPT-A-SOLDIER PROJECT.**

Refer to attachments **ADOPT-A-SOLDIER BOX INFO & TIPS.** Please be certain you use the most current US Customs Form. Our district is assigned 138 soldiers stationed in Egypt-South Camp. APO address: Commander - South Camp, 1/104 CAV, Unit 94550, APO, AE 09903. Return address option: Lions of PA, 949 E Park Drive, Harrisburg, PA 17111

Thank you to all the clubs who welcomed me to your club meetings. I look forward to upcoming visits to hear more about all the service provided to communities.

As the year winds down, Advent gives us permission to do some reimagining and personal reflection. I ask myself these questions: What is important to me? Why is it important? How do I live like this is important to me? Where is there room to grow? Who can support me in that growth?

The sabbath is given to us as a gift, know that Advent is given to us as a gift, too. We aren't just created to observe the season. The season is here as a gift for us to take those deep breaths and create space to rearrange what needs to be rearranged. I invite you as well to make space for reflection this season.

Blessings to you and your family this holiday season!

Yours in service from the heart of a Lion,

DG Deb Lillegard

## 1<sup>st</sup> Vice District Governor's Message

Hello Lions, Lionesses and Leos,

I hope you all enjoyed a wonderful Thanksgiving with family and friends. As we approach this holiday season I am most grateful to be able to spend time with loved ones. I'm sure you are all feeling the same. Make the most of each moment!

It's been a busy month for your District 14-K team. It was great to see so many of you at the District Rally. The food and the speaker were both very good.

The Nov 13 Cabinet meeting was followed by our first District Fundraiser - a Bingo and Basket Raffle. The Bingo was sold out with over 250 people in attendance. A huge thank you to Donna Bok, our District Fundraising Chair who poured her heart and soul into this event. Thanks to the clubs who supported and participated in this fundraiser. It was a lot of fun and very successful. Over \$13,000 was raised for the Lehigh Valley Reilly Childhood Cancer Center and the clubs who participated. A full tally will be announced very soon.

I have completed many of my online 1VDG training courses, including: Selecting your team, Communication skills, Goal setting, SWOT analysis, District goals assignment, Succession Planning, Action planning to achieve goals, Leading change, and Becoming a whole leader. Zoom training meetings also occupy many of my days.

My club visits have included Wilson Borough and Mountainville, with many more scheduled in December.

Look for information in this Tattle Tailer edition on Adopt-a-Soldier. The soldiers that we are supporting are all from the state of PA. It would be wonderful if every Club in our District could adopt and support a soldier. All of the information is in the enclosed flyer and information sheet, including where to send your package. A flat rate postal box can be stuffed and mailed for \$16.25 at your local post office. Please remember those who protect us on a daily basis and will not be home for Christmas this year.

Wishing you and yours a blessed and happy holiday season,

1VDG Kathy Duelley

## 2<sup>nd</sup> Vice District Governor's Message

Greetings Fellow Lions/Lionesses/Leos,

The 2<sup>nd</sup> state council meeting was held October 29<sup>th</sup>-30<sup>th</sup>. Council meetings are informative with many learning opportunities available throughout our time together. We held a mock council meeting for the VDGs to train them up to District Governor's. Remember that all lions are welcome to the council meetings. A lot of information and an exchange of ideas are provided at these meetings.

I attended the PDG Round Table meeting on November 8<sup>th</sup>. We have a great leadership team in our District. These PDGs have a lot of knowledge they are willing to share with our lions. Don't hesitate to contact any of these leaders when you have questions or need assistance.

Our Cabinet meeting was held on November 13<sup>th</sup> and we had around 30 in attendance. The district information shared at cabinet meetings is vital to our clubs and it is important that every club is represented. Hopefully we will see more clubs represented in February.

A huge thank you and congratulations goes out to Donna Bok of the Emmaus Lioness Lions club for the successful District Fundraiser. Donna put many hours in gathering things and organizing and I am grateful we have those willing to do great things. Thank you to all that stayed after our cabinet meeting to assist in the bingo and basket social event. Without everyone's help, the day would not have been the success that it was.

Thank you to our Zone Chairs for allowing me to attend their meetings this month. I was able to speak on service as our District Global Service Team Coordinator. Please consider inviting me to speak at a club meeting to exchange ideas and discuss service and how we report service on MyLion.

Yours in service,  
Denise Shaffer  
2nd VDG – D14-K

This year for Christmas, I asked my family to make a donation to LCIF on my behalf instead of receiving presents, I don't really need. What a wonderful way to

**“Celebrate the Holiday Season”**

by giving to others less fortunate; in addition to knowing you gave the greatest gift you could give someone. A chance for a better life!

This holiday season will you **Answer the Call**. . . our decade began like no other, with health care systems stressed, economies halted, and more than a billion worldwide staying home, staying safe. Answering the call quickly was LCIF, funding global COVID-19 relief efforts with donations to Campaign 100. Much remains unclear in this unprecedented time, yet this is in sharp focus: **Never has the need to support Campaign 100 been greater.**

As of December 3, 2021, Lions have achieved **US\$238,430,627** which is **79.5%** of Campaign 100's **US\$300 million** goal. **LCIF is your foundation – together, we can ensure a powerful future of service.**

## ADOPT A SOLDIER BOX INFORMATION & TIPS

**SHIPPING COSTS:** The charge for shipping the medium flat rate box is \$16.25 this year (military rate to an APO address - make sure to specify that it's military rate at the post office). When someone stated they wanted to Adopt A Soldier, I gave them all the information and also asked them to include the cost of shipping. I told them they could give me cash or a check made out to my Lions club and then my club gave me one check in the end when we took all the boxes to the post office to be shipped. Some people even gave extra money to pay for someone else's shipping costs. **\*\*Last year we saved an incredible amount on the shipping costs due to a suggestion from PDG Bob Rafail, District M. PDG Bob took several of the individual boxes and placed them in a larger box and paid much less to ship the larger box than to send them individually. They are all going to the same address anyway so why not!!** In the end, this highly successful and worthwhile project cost our club nothing financially but has given us so much in terms of goodwill, positive publicity, and new member interest. A Win-Win!

**CUSTOM FORMS:** Make sure to talk to your local post office and get the most up to date custom forms. Ask them how they want them filled out and they may even give you examples. Our post office was happy to work with us and help us. One post office after hearing what we were doing, even had an employee volunteer to help fill out the custom forms and they processed the boxes as well. Also see under BOXES some information on custom forms.

**FOLLOW-UP THANK YOU POSTS:** I always made sure to post on each Facebook page that I had publicized this project on, how helpful the post office had been as well as thanking the community for their donations. I also took pictures at the post office of us bringing all the boxes in, posted those pictures and told everyone how many we were actually able to send out. It has brought us repeat donators as well as increasing the interest in our club.

**CUT OFF DATE:** You will each need to decide what your last date to accept donations will be but keep in mind that the post office usually wants all military mailings out by the end of the first week in December to make sure they will be delivered before Christmas. I would never turn down a box if someone needed more time. The way I looked at was even if it was late getting there, it was better late than never.

**ITEMS:** I will attach the flyer that was made up to give suggestions of acceptable items. Remember it could be a male or female soldier. Each year I've been amazed at the ingenuity of some people in including things I would never think of. Snacks, personal care items, crossword, find-a-word and Sudoku puzzles, playing cards, hard candy, gum, licorice, jerky, socks, bandanas, pens, writing paper, mints, nuts, crackers, trail mix, dried fruit and magazines are just some ideas. Someone even added a small football and frisbee. They will not allow any aerosol cans, solid stick deodorants, fireworks, lighters, matches or alcohol. I encouraged each contributor to add a personalized, signed note with their address in the hopes they would get a note back from "their soldier". I received lovely thank you notes 3 out of the 4 years we have done it. It also helps to include a little note from your local Lions club noting this a Lions project and since these boxes are all going to PA Soldiers who are currently overseas, they may feel inclined to search out the Lions club in their local community when they return stateside. We can always use more members, right!!

Thanks to a “LCI Leadership Development” grant, the registration fee is only \$175.00 per student. This fee includes materials, hotel room and meals.

### **How many students?**

There is a limit of 40 students for the RLLI. There is no limit on the number of Lions a district may register. We will have a standby list to fill a vacancy if needed.

### **Why attend an RLLI?**

Attendance at the RLLI does not guarantee that you will be selected for positions of Leadership in your district, but it does PREPARE you to take on positions of increasing responsibility by giving you the building blocks that are required to be a successful Lion leader.

Attendance at a RLLI also presents to you an opportunity to meet and get acquainted with Lions from across Pennsylvania who may become future leaders.
