## Melvin Jones Fellowships Part Of March 25 District Convention

For the first time, Melvin Jones Fellowships and Progressive Melvin Jones Fellowships will be presented at the annual District 14-K convention on March 25. The MJF program, established in 1973, recognizes donations of \$1,000 to Lions International Foundation (LCIF).

New MJF's receive a pin, commemorative plaque and a letter from the LCIF chairperson. If the donor so chooses, he/she may use their donation credit to recognize another individual with a MJF.

District coordinator PDG Joseph Chunko provided a guideline to giving at the recent Cabinet meeting.

Progressive Melvin Jones Fellowship provides an opportunity to advance. For each subsequent donation of \$1,000 beyond the initial donation donors receive a unique PMJF pin in accord with their level of giving.

### Areas of Giving

LCIF will now be able to help more people than ever before. Eligibility now includes donations to five special program areas, directing their support to:

- Area of Greatest

Need: Supplementing initiatives where additional funding is necessary or where the need is most urgent.

- Disaster: Enables LCIF to direct the funds most in need following disasters to provide for immediate, mid and long-term relief.

- Sight: Funds seek to support hundreds of sight-related activities ranging from equipping eye clinics to Braille computers for the visually impaired.

- Youth: Supports the Lions Quest program and other initiatives such as educational infrastructure improvements and programs to assist at-risk youth.

- Measles: Funds support the purchase and distribution of the measles and rubella vaccination in select developing countries.

### Did You Know?

Districts, clubs and individuals can donate to LCIF through the MJF program, but only an individual can receive the recognition.

Melvin Jones Fellowships can be named in honor or in memory of an individual.

The Fellowships do not need to be paid in full at one time; minimum installments to LCIF of \$100 can be paid over a five-year period to total \$1,000, at which time the MJF application is completed.

### MJF Honors at Banquet

This year the Melvin Jones Fellowships will be presented after the PID's speech at the Saturday night convention banquet.

PDG Chunko said we will need the Lions clubs to act quickly to let him know who they will be honoring with a Melvin Jones Fellowship or a Progressive Melvin Jones Fellowship. It could take 4-6 weeks to receive the materials depending on the number of plaques that have to be made. To pay respectful tribute to the recipients, this info needs to be furnished to PDG Joe so that it can be read when a new MJF or PMJF is recognized: Name of the club; name of the recipient; family information; number of years in Lions; positions held in Lions; other community or church affiliation; reason for the honor. The mini-bio should be 100 words or less. Lion Joe needs to have the information no later than March 10, 2017.

## Kuhnsville Lions Have Christmas Party for Visually, Hearing Impaired

Blind child, Christopher, got into the act as Helen Edwards sang and signed Christmas songs, as his nurse, Jane, listened nearby.

Nearly 15 visually and hearing impaired persons were treated to the annual Christmas party by the Kuhnsville Lions Club on Saturday, December 10 at St. John's U.C.C. Church in Fogelsville.

It was a luncheon, flavored with Christmas music, and gifts handed out by none other than Santa Claus.

The program began with prayer offered by Lion Dave Daniels. Kuhnsville Lions Club vice president David Wisser presided, when the president, John Cavalli, had to work at the nearby Samuel Adams beer

## District Governor's Message

### An Exciting Centennial Year in Lionism

I hope all of you had a very Happy New Year and are looking forward to celebrating 100 years of Lionism. It promises to be an exciting year!

We are beginning our year with several events. I've mentioned at many club meetings that Ronnie Martin from LCI will be visiting with our district the week of March 5, 2017. The purpose of his visit is to put together a team for training with the goal of starting a club in Allentown. If you would like to be a part of our team, please let me know.

Our District Convention is March 25 and 26, 2017 at the Holiday Inn in Fogelsville. Many hours have been expended by the committee to make this an outstanding convention. There will be three Past International Directors in attendance. The LEOs will be packing 2,000 meals for distribution at local food banks. There will be additional seminars offered. Past International Director Cindy Gregg will lead a seminar entitled, "Meet the Taters." This seminar will assist with deepening club involvement for specific members and the retention of members. Of course we will have our banquet and Melvin Jones presentations. The convention will conclude with a very moving Necrology service. Please plan on attending.

If you are planning on attending the International Convention in Chicago, it's not too early to register. I know there are plans for several buses going to Chicago. We will publish all information concerning transportation when it is available. It would be so nice to have a large group from District 14-K in attendance.

Please continue to file your club activities with LCI and we are in need of a 2nd Vice District Governor candidate. It has really made the work of the district much easier with a complete slate of officers.

Happy New Year!  
DG Marsha Johnston

## Convention Committee Meets At Registration Form Stuffing

When the convention committee meets on Saturday morning, January 7 at Christ U.C.C. Church they'll wrap up details for the March 25-26 convention of District 14-K at the Holiday Inn, Breinigsville.

PID Brian Sheehan will have remarks and candidates will be introduced at the 7:45 a.m. opening session.

Extra donuts will be ordered for the Saturday morning registration.

Vegetable and cheese will be featured for the social hour Saturday evening at 6 p.m. before the banquet.

The Saturday morning seminars will be open to all attendees at the times listed on the registration form. They include presidents and vice presidents (1st VDG Don Kaufman); secretaries (Lion Ed Beishline); Tricks, Treats and Tips (Lion Nancy Keller); Meet the Taters (PID Cindy Gregg); club success stories (PDG

## A Lion's View of PLSCERF Seminar at Salus University

(NOTE: Lion Wendy Naugle of the Lower Lehigh Lions Club, and a zone chair, submitted her viewpoint of a recent Pa. Lions Research seminar held at Salus University).

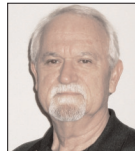

"We've been passing around the (Lower Lehigh Lions) club the Pennsylvania Lions Sight Conservation & Eye Research Foundation (PLSCERF) coin cards that Lion Ron brings for the most part without question. As good Lions, we give because we've been asked.

"When I showed the club the invitation from the PLSCERF research seminar at Salus University on Sept. 24, I was asked by one of the Lions, 'What is it that the Foundation does?' When I told him what the invitation is for, he backed down with an 'oops!' like I

### We Serve One Another – Do a Kind Deed for Someone in Need

Lions:

*It's a Great time to be a Lion!*

There is no better way to end the year than to do a kind deed for someone in need. You don't have to look far to find someone who is down on their luck or just needs a friendly smile to lift their spirits. Your life will become better by making other lives better.

*"The greatest purpose in life, the greatest achievement one could ever have in life, the greatest satisfaction one could ever get in life, can only be found in the service of others."*

Anonymous

Amazing! That's how I define our Lions Clubs. Thanks to all who give of their time and talents to "serving one another" in your communities and around the globe. Be proud to be a Lion and wear your colors and pins wherever you go.

Looking into the future, all District 14-K Cabinet positions including Executive Committee and Programs & Projects need to be assigned for fiscal 2017-2018. It's not too early to think about stepping up to a District level position and begin any training that may be needed -- there may even be an open position for you! I encourage you to contact me to learn more about the qualifications needed to join this group of dedicated Lions. Additionally, in January, I will begin updating the 2017-2018 District Directory. Please let me know if you are aware of any corrections or additional information that would be helpful to our members.

May the spirit of this holiday season fill your heart with love, peace and serenity. Remember, life is short . . . forgive quickly, love truly, laugh uncontrollably, and never regret anything that made you smile. I wish everyone a Safe and Happy New Year!

In Lionism,  
1st VDG Don Kaufman

## 2nd Vice District Governor's Message

### Teamwork Can Make Things Happen

We're off to a new year in 2017 and halfway through our Lions year. I had the pleasure of doing a Zone meeting for the folks from Region II Zone A. Thanks to Lion President Patty Vahey and the Whitehall Lions for sponsoring the meeting at the Whitehall Library. Although three of the clubs were not represented, it was a good meeting and I was happy to see how much work was being done by the Coplay and Whitehall Lions Clubs.

This year at the District 14-K Convention there will be several new seminars. One of those is called "Club Success Stories," presented by PDG Glen Santee. This is a round table discussion about the projects done by clubs that have been a success. I urged the Whitehall club to attend that seminar. They are a prime example of how teamwork can make things happen and even in adversity, can be a huge success. Bring your success stories to the table so that other clubs can brainstorm on your ideas. Don't keep your success a secret.

The other seminar that you can't afford to miss is that of PID Cindy Gregg's presentation of "Meet the Taters." We are so excited to have PID Cindy come to our convention. Her seminar centers around the different types of Lions. This is not only funny, but it teaches us how to work with the different personalities within our club. I know you think it's early to think about the convention, but don't forget, due to the holidays, it's early this year.

I also made my first trip to Harrisburg for my 2nd VDG training. I am learning a great deal about Lions, much more than I expected. I also spent some quality time with the other 2nd VDG's from Pennsylvania. Over the next three years, these people will be my closest Lion friends, as we will be learning together and doing our best to make Pennsylvania Lions great. Together we will reach that goal of District Governor together. Everyone who has even been a District Governor has told me it was one of the most fulfilling times in their lives and that many of the friends they made will be their friends for life. I'm not sure what your reason would be for not stepping up, but I can tell you it's worth the time. Come and talk to me. I know you can do this. I am enjoying the journey and would like to see someone step up to take the journey with me.

2nd VDG Karlene Laub

Any member of District 14-K is a member of Charitable Enterprises.

The Board of Directors consists of the District Governor, the 1st and 2nd Vice District Governors, the Immediate Past District Governor and four members from each region, of which three shall be appointed by the District Governor and the remaining nine shall be elected by the clubs from their region at the annual membership reorganizational meeting in May. Currently, said Charitable president PDG Joe Chunko in his report at the November Cabinet meeting, their biggest fund-raisers are the Pennsylvania Daily Number Calendar Sales and the Lions All-Star Soccer Classic. ## Kuhnsville Christmas Party

Continued from Page 1

The luncheon was served by the Busy Bees of

Christopher received a number of gifts from Santa Claus, before the other sight and hearing impaired adults were given a gift from the Kuhnsville Lions.

St. John's U.C.C. Helen Edwards sang vocally and in sign language special Christmas music, opening with "Let It Snow." As she sang, a blind youngster, Christopher, was curious about where the sound came from and Ms. Edwards happily entertained him. Later, Christopher was the main recipient of gifts from Santa Claus.

Each of the hearing and visually impaired guests then received a gift in an envelope from Santa, who made his way to their seats. They went to Charlie, Mary, Amy, Nancy, Troy, Joe, Donna, Darlene, Dale, Diane, Paul, Joanne, and Margaret. To end the day, they all posed for a photo in the Tattle Tailer.

Lion Daniels thanked all those who contributed to the event, and The Kuhnsville Lions and Mrs. Edwards wished everyone a "Merry Christmas and a Happy New Year." A good time was had by all.

Continued from Page 2

would do, too. Ask a question and you're liable to get too much information. At work for Sight Life I often hear our VP Michael Beardson say, 'At Sight Life we take the higher road.' So, guess what I did!

"I talked my fiancé into going with me: we made a day of it. The research seminar at Salus in the morning and then the Mutter Museum, we've heard so much about. I must say, I enjoyed the research seminar immensely; the Mutter Museum, well it is disturbingly informative. During the opening remarks, I learned for the most part

grants from the PLSCERF provide funding for pilot data allowing the researcher to apply for larger grants through other organizations. "Attending this program made me proud to be a Lion and realize the impact our

coin cards have on humanity. I've heard it said many times in District 14-K that 'the people at Salus do great work,' but didn't realize until this past Saturday that the people at Salus DO great work! The grant process was also explained. PLSCERF receives the applications and forwards them to their volunteer board of renowned out-of-state researchers to review and report their findings on a scale of 1 to 10. The PLSCERF takes that information and their views to award or reject the application. Since grant money from this foundation is only used to support Pennsylvania pilot data, using out of state researchers as reviewers avoids conflict of interest.

"After the presentations, we were able to talk one on one with the doctors. What a great experience! Thank you board members for your visionary work that will make a better future for so many people."
