

DISTRICT 14K

Tattle Tailer

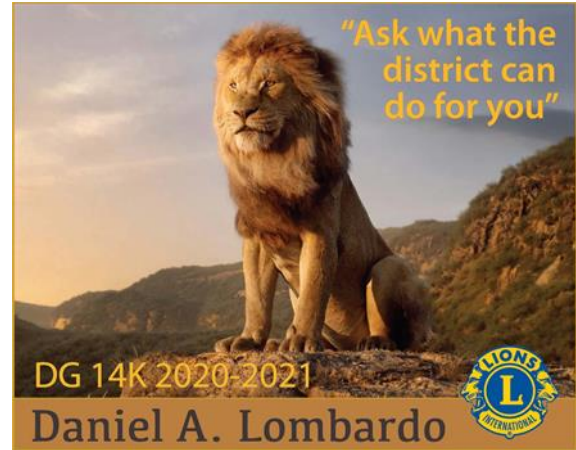

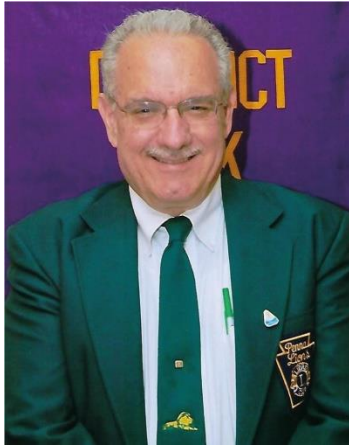

JANUARY 2021

14-K Lions continue
to find ways to serve
their communities despite
pandemic restrictions.

Roar, Lions, ROAR!

District 14-K Governor's Message

Hoping everyone had a wonderful Thanksgiving even though it was difficult to meet with family and friends. Since there are now even more restrictions on meeting, my club visitations for December have been postponed. I do see that clubs are still doing whatever is needed to assist the less fortunate in our communities and I thank all Lions for doing their best during this difficult time.

Hopefully with the vaccine, we will be a position to serve our communities as we have done for up to a hundred years. We need to be ready when this is behind us as our communities will need us more than ever.

Let's put 2020 behind us and look forward to a much better 2021.

Merry Christmas and Happy New Year to all of my fellow Lions and Lionesses.

Yours in Lionism,

District Governor Dan

Greetings Lions, Lioness, and Leos,

The holidays are behind us; winter arrived; and now we reflect how we did things differently in 2020, what we learned or gained from changing things.

Like many of you, I am ready...so ready...to put COVID-19 behind us (and all of 2020 for that matter). I am heartened by the news of the FDA approval of the Pfizer vaccine and approval of Moderna's version. It was great to see footage of health care workers across the country beginning to get the shots. I am hopeful that the willingness of these front-line warriors to get vaccinated allays some of the concerns that many people have regarding the vaccine. It has been an amazing 10 months of research and development among scientists and researchers across the globe in the race to develop protocols to stem the transmission of this deadly virus. I think it's remarkable that we will likely have many options to choose from as 2021 unfolds. (Be sure to check out the article on [HOW TO FIGHT COVID AT HOME](#).) So for me, wondering if I'm brave enough to say...

Bring it on!

Bring on the end of the ugly political cycle!

Bring on the vaccines!

Bring on 2021!

Our Lions year 2020-2021 is half over. What GOALS or RESOLUTIONS will your club hope to accomplish or finish out their Lion year?

- Membership: retention / not lose members; active membership recruitment; ADD new members before June 30, 2021
- Communication: newsletter / promote activities
- Service / remember to report
- Grant opportunities / Community Impact Grant
- Trainings:
 - 2/20/2021 – GAT Spring Symposium, PA Lions State Hdq, Harrisburg, PA
 - 3/12-14/2021 – Regional Lions Learning Institute (RLLI), Red Lion Hotel Harrisburg Hersey, Harrisburg, PA

Let's focus on bright beginnings for a new year! Stay well!

Message from 2VDG Kathy Duelley

Hello Lions, Lioness, and Leos,

Happy New Year to everyone. Here's hoping that 2021 will be a banner year for all Lions and we can return to some type of normalcy in our daily lives and our Lions Club lives! I hope you enjoyed a beautiful Christmas Season with family, even though it may have been quiet and different this year. As we begin 2021, remember that life is 10% what is thrown at us and 90% how we react to it. There can be a positive spin on almost everything!

I continue to learn every day what is involved in being a 2nd Vice District Governor. The Lions Learning Center has been so helpful with my training. The Lions Learning Center (LLC) offers club officers the opportunity to get in-depth, on-demand training for key aspects of their role and responsibilities to ensure the club leadership is prepared for continued success. I encourage club officers to become familiar with the Lions Learning Center (LLC). Simply log in to the LCI website and click the "Learn" tab in the top menu. Select the courses you need. I am also currently taking the Certified Guiding Lion Course.

There is also a wonderful 2VDG Facebook group where the 750 2VDG's worldwide are corresponding and getting to know and learn from one another. What an opportunity for all of us to come together in a social network!

The second batch of Mugs for Veterans was delivered to the VA Hospital in Wilkes Barre on snowy December 14. The hospital was extremely grateful for our clubs' donations. Special thanks to the Easton Lions Club who donated 32 mugs and the Emmaus Lioness Lions Club who donated 40 mugs that were beautifully decorated.

Many other clubs contributed mugs as well. The District is most grateful to all. Please remember to report your service projects on My Lion.

If you can involve friends and family in simple service projects like these, it may just spark an interest in becoming a Lion.

As International Director Dr. Jung-Yul Choi says "Your service is hope delivered, and that is what people need most. Comfort those who won't be among family this season. Plan a hunger project so that every family in your community can have a special holiday meal. Or consider a gift to LCIF - your foundation - and watch your kindness grow. But most of all, keep yourself and your family healthy and safe."

Looking forward to a brighter 2021 for all of us!

Yours in service,
2VDG Kathy Duelley

Lions Club Activities

HEAR THOSE LIONS ROAR!

Region 1 – Zone A

Emmaus Lioness-Lions	<ul style="list-style-type: none"> • The Club donated \$5 per member for the Beacon Lodge 500 Club. • The Club purchased Christmas gifts for seven families in the Emmaus Community. Members shopped, wrapped and delivered the gifts to the Lincoln School for distribution. Usually a time of fellowship, this year the Christmas project was done individually by members to adhere to social distancing guidelines. Not as much fun as years past – but the project got done - serving our community and putting smiles on the faces of deserving children! • Club members made 36 mugs that were collected by member and Zone Chair MaryAnn Aten for the personal-items coffee-mug program for veterans spearheaded by 2VDG Kathy Duely. The program will continue again after the new year. • Emmaus Lioness Lions and Emmaus Lions are having a joint zoom meeting on January 11th for the visitation of DG Dan Lombardo. • The Club received membership satisfaction banner patch for meaningful service. • Club members received the annual homemade Lioness Lions Christmas Ornament. - made by the committee and delivered to each club member's home as we socially distance! Members did a little jingle-jangle dress up for the regular club zoom meeting and even had our traditional Silent Night performed– instrumental only this year!
Emmaus Lions	<ul style="list-style-type: none"> • We were able to have our annual Christmas visitation. We purchased meals, gifts and gift cards that were distributed to those less fortunate than ourselves in the East Penn Community. We aided 17 families in need with a total of 47 children. Masks were worn by all and gifts were distributed outside and on front porches. This event is very rewarding for us as we see the impact we have on our community. • We look forward to having a "joint Zoom meeting" with the Emmaus Lioness Lions Club in January and our guest speaker will be DG Dan.
Mountainville Lions	<ul style="list-style-type: none"> • Donated \$500 to the Western Salisbury Fire Company for their annual Operation Santa Claus Fire Truck Run around the Township. • Donated ten - \$20 gift cards for Thanksgiving to the St. Vincent Food Pantry – Allentown • Donated fifteen - \$25 gift cards for Christmas to the St. Vincent Food Pantry – Allentown • Our Club held a very successful Fruit Nut Roll Fundraiser. We sold over 350 rolls. • Our Club helped an Allentown Resident get new eye glasses through our Lion Club member Dr. Rojas. • DG Dan Lombardo will visit our Club on February 10, 2021. • The Mountainville Lions Club will hold one meeting each month until at least April, 2021.

	<ul style="list-style-type: none"> January 13, 2021 – February 10, 2021 – March 10, 2021: our Club meets at 6:30 pm at the St. Mark's UCC Church, 52 E. Susquehanna Street, Allentown. A number of our Lions continue to assist our local residents doing various services such as working at food banks, driving residents to stores or medical appointments, etc.

Saucon Valley Lions: Spaghetti Dinner To Go Thank You

Thank you to all that made this event a huge success. We sold 52 raffle tickets; all winners have been notified. We sold 68 meals; we are so proud of the community support.

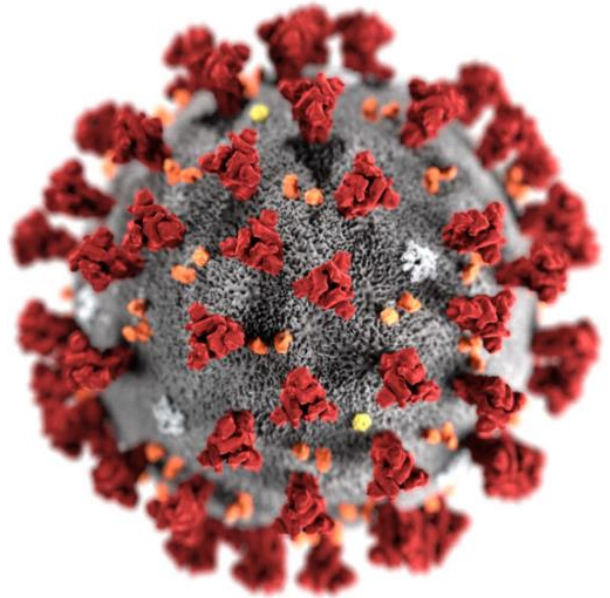

The big winner of the evening was the children at the Good Shepard Rehabilitation. We collected 77 toys and monetary donations. We wish to give a special thank you to Morgan's Miracle Ears who provided many filled stockings.

HOW TO FIGHT COVID AT HOME

~from a COVID Survivor

No one ever talks about how to fight Covid at home. I came down with Covid in November. I went to the hospital, running a fever of 103, with a rapid heartbeat, and other common symptoms that come with Covid. While I was there, they treated me for the high fever, dehydration and pneumonia. The doctor sent me home to fight Covid with two prescriptions - Azithromycin 250 mg & Dexamethasone 6mg. When the nurse came in to discharge me, I asked her *"What can I do to help fight this at home?"* She said:

Sleep on your stomach at all times with Covid. If you cannot sleep on your stomach because of health issues, sleep on your side. Do not lay on your back no matter what because it smashes your lungs and that will allow fluid to set in.

Set your clock every two hours while sleeping on your stomach, and then get out of bed and walk for 15-30 minute, no matter how weak, moving arms around frequently as it helps to open your lungs. Breathe in thru your nose, and out thru your mouth. This will help build up your lungs, plus help get rid of the Pneumonia or other fluids.

Sit up straight when sitting in a recliner - do not layback in the recliner, again this will smash your lungs. While watching TV - get up and walk during every commercial.

Eat at least 1-2 eggs a day, plus bananas, avocado and asparagus. These are good for Potassium. Drink Pedialyte, Gatorade Zero, Powerade Zero, and Water with Electrolytes to prevent you from dehydration. Do not drink anything cold - have it at room temperature or warm it up. Water with lemon and little honey, peppermint tea, apple cider are good suggestions for getting fluids. NO milk products, nor pork. Vitamins D3, C, B, Zinc, Probiotic One Day are good ideas. Tylenol for fever. Mucinex or Mucinex DM for drainage, plus it helps with cough. Pepcid helps for cramps in your legs. One baby aspirin everyday can help prevent a blood clot, which can occur from low activity.

We always hear of how Covid takes lives, but there isn't a lot of information out there regarding how to fight Covid. I hope this helps you or someone you know, just as it has helped me.

To All PA Lions of Multiple District 14:

Happy New Year!

It's been a while since I've provided updates on our [PA Lions "Care - For The Kids®"](#) project so I wanted to take some time to do so.

First and foremost, I am extremely excited to share with all of you our brand new [Four Diamonds' 2019-2020 Impact Report](#). When you read this report and you share it with others, I hope you take a minute to see not just the numbers and statistics (which are amazing!) but, more importantly, the faces of those who we have been able to help because of people like YOU!

To-date, the PA Lions "Care - For The Kids®" project has raised just over \$21,000 this Lions fiscal year for [Four Diamonds](#), which puts us \$5,000 ahead of where we were this time last year. And, we have received donations from approximately 70 Clubs across the state. However, we still have work to do!

Consider taking up a collection at your next meeting or hosting a fundraiser to benefit this amazing cause. If you need help getting started or if you need any information or resources, please contact me. I'm also available to speak (virtually) about the work of Four Diamonds and this project.

Finally, I'd like to personally invite you to our next Four Diamonds at Work webinar on **Tuesday, January 12, 2021 at 3 p.m.**, where you will hear about how Penn State Children's Hospital provides continuing Psycho-Social care and programs to patients and families that help support them even after active treatment has ended. Shelly Ungemach, Psycho-Social Program Development Coordinator, will be joined by 4 incredible young women who have personal experiences and stories of struggle and hope to share!

Register in advance for this webinar:

https://pshealth.zoom.us/webinar/register/WN_lTt5h2njQZSeHjVd0bWtTQ

After registering, you will receive a confirmation email containing information about joining the webinar.

As always, I thank you for your commitment to Four Diamonds and I am grateful to have you all as Partners In The Fight to conquer childhood cancer.

For The Kids®,
Katie

Presented by Sheetz

“Embracing our Differences to Change the World “

Greetings Lions, Lionesses and Leos,

The 2021 PA Lions State Convention Host Committee has been diligently working to make this year's experience a memorable one. There will be seminars planned along with speakers and entertainment to inspire you and hopefully make your experience while here in Altoona an enjoyable one. We are in the process of arranging an open golf match for those Lions arriving on Thursday morning.

Friday will start you off with some seminars. Then ID Larry Edwards will be our after-lunch feature speaker, followed by a presentation of Hellen Keller and Melvin Jones. Friday evening will be the Necrology services followed by the Counsellors/District Governors Honors banquet. The evening will conclude with the Hospitality night with a Patriot theme and dancing to the Sharptons.

Saturday will open with additional seminars and the Four Diamonds Foundation presentation at the luncheon. Later in the afternoon we will have David Crone presenting “I’m No Dummy,” this show is a must see full of fun and laughter. Concluding your day with the International Banquet where we are pleased to have our International President Dr Jung-Yul Choi as the keynote speaker.

We look forward to seeing you at the 98th State Convention in Altoona.

From Global Membership Coordinator PDG Cheryl Wilbur

"Lions are Here!"

Happy Holidays! **AND** we are getting to our goals at a slow pace, **BUT** never fear – **LIONS ARE HERE!**

To sustain Lions clubs for the next 100 years, we need to continue to build our organization. There are millions of individuals that have never been asked – **"Would you like to attend a Lions meeting to see what we do, and we will even provide a FREE dessert?"** Just the thought of food usually brings people together, and Lions are no exception!

Except – if your current club members are **NOT** satisfied. While receiving numerous phone calls from dissatisfied Lions, as MD-14 GMT Coordinator, the answers rest within the club and the responsibility remains at the hands of the leaders inside.

"Keeping your club efficient, productive and meaningful to your members results in many benefits:

- A club that is vital and a respected part of your community
- The ability to provide service locally and globally
- The ability to offer personal and professional growth opportunities to your members
- A club that provides enjoyable fellowship

If a club is not thriving, it cannot survive." (Membership Satisfaction Guide)

Where do we begin? We start off with an informative membership orientation with new members. It is here where the person or persons doing the briefing will discover the gifts the member will bring to the club. New members generate new ideas and keep the club well-rounded in viewpoints. Get the new members immediately involved in areas of their interests while listening with an open heart. Making comments – "we have done that before and it did not work" or "we already are too busy to begin something new – we don't have enough people now to help." Heard those in your club? If so, Lions and leaders, adjustments need to be made sooner than later!

Next step? Time for a **Membership Satisfaction Guide**. <https://temp.lionsclubs.org/EN/pdfs/me301.pdf>

"Research shows that people become Lions for many reasons. The most common are:

- To serve their community
- To be involved with a specific service or cause
- To be with friends
- To become a leader in the community
- To be with other family members who are Lions"

December 31, 2020 is the cut-off date to recruit new members not having to pay the \$35 application fee. How many new members have you recruited? Every Lion should be asking **"JUST ONE!"**

Some District Governors are not only asking **"Just One,"** they are asking specialty groups to form a Lions Club and they are working diligently even during a pandemic that could not hold us back! **Many thanks to District Governor Tom Vasek with four NEW Clubs, making District A with 80+ members** as of December 9, 2020!! Congratulations, Governor! This effort does not come easily, especially now. We have other new clubs adding because of the Lioness Bridging Program or Lioness joining a current Lions Club. We **MUST** keep these new Lions and retain them long into our future.

Time has come to search the guidance Lions Clubs International offers in support. These tools are a benefit to Lions while providing leadership skills, conflict resolution protocol to solve difficult issues within the club and celebrations/awards of good in every Lion. Have you publicly acknowledged a Lion for their help, initiating a new project, bringing a potential member to a club meeting or for their hours of devotion to the community? Complementing a Lion will take your club forward for the next century.

Thanks to the 2020-2021 State Council of Governors for supporting the future in a new effort to assist Lions in membership. A scheduled **Membership Connections Seminar** has been rescheduled for May 24, 2021. It is here you will learn more and gain support of recruiting young Lions, writing grants, creative fundraising, future technology, understanding acronyms in Lionism and membership satisfaction during the pandemic. Take one day out of your hectic schedule to benefit your club members and your community for only \$15 with raffle baskets and awards while meeting and sharing with other Lions in the state of Pennsylvania! Hope to see you there – mark it on your calendars.

Let us put our foot on the gas, move at a quicker pace to meet our goals of helping others – **"Never Fear, Lions are Here!"**

LION CLUBS INTERNATIONAL FOUNDATION REPORT

MULTIPLE DISTRICT 14, NOVEMBER 2020

Coordinators- PDG Kerry McKnight - East, PDG Evan Punchard - West

Donations to LCIF are down by 40% this current Lions year while we are still in the pandemic. This is due to many clubs' fundraisers having been cancelled or postponed. There are clubs and districts in MD-14 that are being creative and going to ticket raffles and some are even having drive-through dinners. In District 14-C, they originally had a bingo night planned, but after postponing it four times, they decided to have a ticket raffle instead which was very successful.

Campaign 100 throughout the world has raised \$16 million this current Lions year and has served 4.5 million people. As PDG Kerry reported earlier, MD-14 has surpassed the \$1 million mark in contributions to LCIF since 2017, the beginning of Campaign 100. We are fourth in Multiple District donations in Constitutional Area 1.

Since the beginning of the pandemic, five districts in MD-14 have received emergency grants worth \$10,000. District 14-G has also received a \$9,000 grant for disaster preparedness and a \$1,000 Community Impact grant. Congratulations to these districts. As you can see MD-14 has really benefited from LCIF and we need to return the favor to the Foundation!

PDG Kerry and PDG Evan are very excited about a new fundraiser for LCIF in MD-14, (thanks to ID Larry Edwards and PDG Jim Cavarallo), called "Shave the Statches" in which both Directors would shave their mustaches if we raised at least \$10,000 by selling \$25.00 tickets. For every 40 tickets sold, a Melvin Jones Fellowship would be awarded to a winning ticket. If the winner already has a Melvin Jones Fellowship, they would be awarded a Progressive Melvin Jones Fellowship. The winning tickets would be drawn at the next State Convention held. Between ID Larry and PID Jim, their mustaches have been growing for over 100 years, so this is a great personal sacrifice for them; let us make this fundraiser a great success!

Also, clubs will be receiving LCIF donation boxes in the near future to be passed around at club meetings or put in strategic places in their communities as another way of raising money for LCIF. More information will be forthcoming on this.

PDG Kerry and PDG Evan greatly appreciate your support to LCIF throughout Campaign 100; we are asking you to continue this to make it a very successful campaign, especially with so many recent disasters during a record storm season.

MD-14 Campaign 100 Fundraiser

International Director
Larry Edwards

A current International Director and a Past International Director. What is a common feature in both pictures? Yes, a mustache. Both men have sported a mustache for many years without shaving it off. Be sure to be there when ID Larry and PID Jim remove their own mustaches. All Lions who attend have an opportunity to watch. It's all about raising needed money for the LCIF Campaign 100.

Past International Director
Jim Cavallaro

The **Shave The Staches** campaign is intended as a fun event with the overall goal of raising funds for Lions Clubs International Foundation **CAMPAIGN 100**.

When the overall goal of \$10,000.00 is reached both International Director Larry Edwards and Past International Director Jim Cavallaro will relieve their upper lips of the growth that has nestled there for a combined 100 years.

The rules are:

Contribute \$25.00 to LCIF by purchasing a numbered ticket.

With each contribution of \$25.00 your ticket will be eligible for a drawing at the conclusion of the Campaign for either a Melvin Jones Fellowship or a Progressive Melvin Jones Fellowship.

There will be one MJF/PMJF awarded by the Multiple District for each thousand dollars that is sent to LCIF. The Campaign will be concluded with the Shaving Event to be held at the first State Convention when our goal of \$10,000.00 is reached.

Purchase additional tickets and return the stubs and money to the one of the addresses below.
