Wanted! A Few Good Lions and Lionesses

We are at the end of our Lions year, and I am putting the final touches on the Cabinet for the 2015-2016 year. I'm in need of the following:

- 2nd Vice District Governor
- Assistant Secretary
- Zone Chairperson, Region II, Zone A: Preferably from the following clubs: Bath, Catasauqua Area, Coplay, Hanover Township, Whitehall
- Zone Chairperson, Region II, Zone B: Preferably from the following clubs: Bethlehem, Coopersburg, Hellertown, Northwest Bethlehem, Saucon Valley, Upper Saucon
- Hospitality: At least one additional person is needed!
- Bowl-A-Thon
- Lioness Clubs Coordinator

If you would like additional information on any of these positions, please call me or send me an e-mail as soon as possible: home phone, 610-865-0900; e-mail, kbrady@northampton.edu

These positions are all important to our District. I look forward to talking to you about these openings!

Yours in Lionism!
DG-Elect Karen

34th All-Star Soccer Classic Shortened by Lightning, Rain

Rain and bolts of lightning cut short the 34th annual All-Star Soccer Classic sponsored by District 14-K's Charitable Enterprises, Inc. on Sunday, May 31, but the girls game was played at the soccer stadium of the Whitehall-Coplay Area School District in Whitehall.

This year the games featured graduating high school

senior boys and girls from the Colonial League vs. the newly formed Eastern Pennsylvania Conference.

The Colonial girls rallied to win 4-2. The boys game got underway, but was called at the 7:40 point due to the lightning.

Melvin Jones Fellow Honors Go To Five Lions at 14-K Luncheon

There were five recipients of Melvin Jones Fellow honors at the annual District 14-K MJF luncheon held on Sunday, May 3 at the Leithsville Fire Co. banquet hall.

Presentations on their accomplishments as Lions were announced by David and Cheryl Fatzinger, PDG Joe Chunko, DG Fred Folland, and PDGs Dennis Butz and Linwood Gehris to the audience of nearly 80 Lions and Lionesses attending the luncheon.

Recipients of MJF plaques were Walter Holtzhafer of the Lower Lehigh Lions Club, Frank Posivistilo of the Easton Lions Club, and Robert Kichline of the Lower Lehigh Lioness and Lions clubs. A progressive pin went to PDG Joseph Chunko of the Hellertown Lions Club, and a fourth progressive diamond pin was awarded to the late PDG Bernice Kulp of the Hanover Township Lions Club and accepted by her husband, DG Willard Kulp.

To date there have been 493 Lions and Lionesses who have received the Melvin Jones Fellowship in District 14-K, representing \$493,000 that was used by Lions Clubs International Foundation (LCIF) for disaster relief and humanitarian needs. This is what speaker PCC Steve Benedict had to say on what all these dollars have meant to thousands of people around the world.

Upper Saucon Lions Secure Service Dog for 8-Yr. Old Boy

Aileen and Walter Klingensmith and their 8 year old son Richard reached out to the Upper Saucon community for assistance to secure a service dog for Richard, who was faced with several challenges, including cerebral palsy and seizures.

The Upper Saucon Lions heard of their need and used their "Emergency Relief Fund" to provide a \$1,000 donation toward the family goal of raising \$6,000 on-line through the local TV station, 69 News WFMZ, for them to travel to Ohio in January 2015

to meet up with "Roper", their assigned service dog, and train with him for two weeks. Their goal was exceeded and they raised more than \$7,000 in December 2014.

The service dog would

District Governor's Message

Thank You For Allowing Me to Serve

As I write this, the Lions year is coming to a very quick close. Our Lions, Lioness and Leo clubs have done an outstanding job "Setting the Standards for Service."

You should be proud of your accomplishments, because I am very proud of you. As I traveled the district, I met many very dedicated Lions willing to serve the less fortunate. It is hard to put in words how much pride I had in being your district governor this year. Thanks to the cabinet members for stepping up to serve. Your efforts did not go unnoticed. It takes a team to run the district and I had a great one. The Lions were always there when I needed them.

The Lions year, as in everyday life, had its ups and downs. One of my regrets is that we have lost two clubs this year and we may lose a third one. I thank those of you that did participate in the "Ask One" program. If you didn't, you still have time to do so. You can spin it any way you want, but our membership problem is real. If your club does not grow, it will die. IPDG Dennis said it best in his speech to the clubs last year: "The service will be gone when we are gone if we don't replace ourselves."

I wish the best to our new elected leaders, DGE Karen and 1st VDGE Marsha. We still have a vacancy for 2nd VDGE. The time is now to step up to serve. We have many qualified Lions in our district.

I have been writing these articles for three years and this will be my last one. I thank you for reading and hope that you have enjoyed them. Most of all, I want to THANK YOU FOR ALLOWING ME TO SERVE as your governor. It has been a pleasure. An experience that I will never forget. Keep "Setting the Standards for Service" as you "Strengthen the Pride".

DG Fred

Final Cabinet Meeting of Lions Year on June 6th

The final Cabinet meeting of this Lions year 2014-2015 will be another Saturday morning breakfast on June 6, from 8:30 a.m. to 12:00 Noon in the community room of the Bethlehem Township Community Center at 2900 Farmersville Rd., Bethlehem. The room is at the right of the main entrance.

The breakfast will consist of scrambled eggs, bacon, sausage, blueberry pancakes, breakfast potatoes that are diced, seasoned and baked, along with rolls, orange or cranberry juice, coffee, fresh fruit, and assorted Danish buns.

The cost is \$9.00 per person, sent to Zone Chairman Paul C. Stoudt at 320 Hawk Ave., Wind Gap, PA 18091.

The business meeting will

immediately follow the breakfast. Committees that are a part of the district cabinet will make their year-end reports, and District Governor Fred Folland will summarize our progress on the goals that were set for the year, disburse the district funds, after which we'll get a sneak preview of what is being planned for the Lions Year 2015-2016 by DG-elect Karen Brady.

All members of the district are invited and encouraged to attend.

The dress code for Cabinet members is formal summer greens - green blazer, white pants/skirt, white shirt/blouse, white shoes and green tie for the men. This is particularly important, for this is when the Cabinet photograph is taken.

provide Richard the ability to go out in public more, warn the family of when Richard would be having an attack, up to 2 to 3 hours prior to it occurring, so Richard and the family can prepare for the attack when it actually occurs. With this advanced warning through the service dog, they can make Richard safe and know when something is going to occur to keep him safe.

Upon their return from the Ohio training, the Upper Saucon Lions Club invited Richard, his service dog, and his parents Aileen and Walter to a dinner meeting, in March, at the Superior Restaurant in Emmaus, so the club members and their spouses could meet with the family, hear of their experience with securing "Roper", and have some social time with everyone.

Aileen and Walter expressed their appreciation for the Upper Saucon Lions Club contribution to their need and were grateful to everyone who donated to their cause. They will keep in touch with the Club and invited the members and their spouses to come visit Richard and "Roper" at their home to see how the two have become best friends.

Upper Saucon Lions

We have served and supported the local community for 39 years, as well as other service organizations. We plan to continue this more vigorously through the use of our concession trailer. All funds raised by the club go to educational programs, provide scholarships to graduating high school students, assist needy people in the community, as well as national programs in support of the blind and diabetes. As a note, the Upper Saucon Lions Club is the primary contributor in support of the Upper Saucon Police Department's DARE (Drug Awareness Resistance Education) program in the Southern Lehigh School District.

Save Our Members!

As we enter the last month of our Lions year, clubs are reviewing membership lists. We lose a significant number of members in June, before the start of the new Lions year. I'm reaching out to each and every Lion and Lioness, asking you to contact members who are not attending or who haven't paid dues and talk to them about all the great things our District, and your club, do to improve the lives of others in the name of Lionism. Any member saved is a victory! I urge you to try. For members who are behind in their dues, consider letting them pay over time. **Please do what you can to keep our Lions.**

Our fourth and last Cabinet meeting for the year is coming up shortly. It will be held on Saturday, June 6th at the Bethlehem Township Community Center from 8 a.m. until Noon. I hope to see many of you at this meeting.

We are still looking for a 2nd Vice District Governor. If you are interested, please contact me, District Governor Fred, 1st Vice District Governor-Elect Marsha, or any Past District Governor. We would be more than happy to talk to you about this position. I will tell you that I have enjoyed every day and every experience I had while I was 2nd and now 1st Vice District Governor. I have gotten to interact with many of you, and many great Lions in the State of Pennsylvania. I've made friends I will have for life. I can assure you that you will enjoy the experience if you decide to serve in this capacity.

I want to thank all the Lions, Lionesses, and Leos for their service this year. The number of service projects and people served by the members of this District is unbelievable. You have certainly proven that as Lions, "We Serve!" I hope you will keep up the great work in the years to come.

Thank you for all you do for others in the name of Lionism.

DG-elect Karen

2nd Vice District Governor's Message

State Convention A Learning Experience

Spring has come with many opportunities for Lions, Lionesses, and LEOS. Recently many of us from 14-K attended the State Convention in Lancaster, Pa. For three days we attended very informative seminars, heard wonderful speakers, including International President Joe Preston and Anne Beiler, founder of Auntie Anne's Pretzels, who told us of how she started her company. It wasn't easy and grew out of her need to deal with the loss of her young daughter. She was very encouraging. The convention also included a beautiful necrology service.

One of the seminars I attended focused on the Child Protective Services Act, which takes effect July 1, 2015. This law requires adults in an unpaid position as a volunteer responsible for the welfare of a child or having direct contact with children to acquire the Pa. State Police Clearance and Childline Clearance. The clearances can be acquired through the internet. I have those e-mail addresses and would be glad to share them. I would encourage each club to look at your activities to determine when you as a Lion or Lioness come in direct contact with children.

By the time you read this, the All-Star Soccer Classic will be history. I have been compiling all donations for ads, club donations, and ticket donations from fellow Lions. To put the program together, organize the athletes, and set up for the games is a huge undertaking. If you helped in any way to make this fundraiser a success, thank you so much. Many Lions worked to make the Soccer Classic come together to honor these soccer athletes.

We are still in need of a Second Vice District Governor. Please consider stepping up to this position to continue the strong leadership we need for our district.

Kiera Pheiffer

Garage Sale to Help in Accident Victim's Recovery

Kiera Pheiffer of Bethlehem suffered a traumatic injury in a car accident on October 4, 2014. Hoping to help her in some way, the Bethlehem Township Lions club donated \$350 toward her recovery fund.

In an e-mail that we received from club president Gary Bowen through Cabinet Secretary Cheryl Fatzinger, we learned that Kiera was in a coma for several months and is now on a long road to recovery. It is an amazing story. She hopes to walk across the stage at the Freedom High School graduation ceremony, having accumulated sufficient credits before the accident to graduate with her class. But she still faces more surgeries and physical therapy at Good Shepherd.

On Saturday, June 6, the office of Easton dentist Dr. Edward Piorkowski, Jr. will be hosting a garage sale at the home of his employee, Margaret Klach, at 2235 Oakwood Court, Fogelsville, with all the proceeds going to Kiera's Recovery Fund. This is a community-wide garage sale involving more than 100 homes in Applewood and Pointe West subdivisions.

They will also be accepting monetary contributions at Dr. Piorkowski's office (1125 Stones Crossing Rd., Easton) prior to the garage sale.

membership in Lions that helping those less fortunate than ourselves was important. He said he learned that LCIF doesn't take any administrative fees out of donations. The administrative fee to run the foundation comes from investment accounts, and that the organization is run by non-salaried volunteers. "LCIF has been the No. 1 non-governmental organization in the world, and I am proud of that," Benedict said.

He went on to say that LCIF supports sight-saving efforts through programs such as SightFirst, which helps Lions build comprehensive eye care systems in underserved communities to prevent

blindness and vision loss, as well as caring for those who are blind or visually impaired.

"In a lot of countries we have eliminated river blindness and will continue until the world is free of this dreaded disease," Benedict said, adding, "The need for access to basic eye exams and treatment for school age children is global."

He also spoke about the Lions Quest program and its success with students learning life skills; how LCIF provides financial and volunteer support to reduce measles deaths worldwide with vaccines; and matching funds to support Lions efforts to improve vital public service institutions and programs in their communities.

The amount of grants to Pennsylvania clubs in the last five years was \$361,962, but District 14-K received nothing, although donating \$99,030. "It may be time for a good community project that matching funds could be raised and get a grant from LCIF," Benedict said.

"We are committed to pro-

vide disaster relief through the emergency grant program in disaster response for immediate needs," he said, pointing out the major earthquake that struck Nepal killing thousands of people recently. Others have been helped who suffered the ravages of hurricanes and tornados.

Early in his talk, he recognized World War II veterans as the greatest generation, and one of them was in the audience. He also recognized the women who were "the salvation of Lions in the U.S.A. beginning in 1987," noting that "When they joined our clubs they came with ideas and goals that most never thought of."

PCC Benedict asserted that a Melvin Jones Fellow is not an award, but it is recognition. He and DG Folland made the MJF presentations. All past recipients present stood up to be recognized.

LCIF District Coordinator PDG Joe Chunko presided at the program and PCC Lowell Hawk led singing, pledge to the flag, and gave the invocation and benediction.

Bowling at Hampton Lanes in Northampton.

Lehigh Valley Saturday A.M. Lions Club had six bowlers at the recent District 14-K Bowl-A-Thon on April 19 at the Haja Rose Bowl. Lion Deena Kuhns brought along her son, John Kuhns, and girl friend Katie Galian and Matt and Kayla Matika. Lion Michele Kratzer brought along a fellow co-worker at Lehigh Valley Hospital, Nolan Steffen. The group raised \$484.00 for the club. Also coming along to cheer them on was PDG John Kratzer (who took the picture), Lion Karen Reichard, Deena's aunt and club treasurer, and club district bowl-a-thon chairman Jerry Kratzer.

Report Given by Bowl-a-thon Chairman

District 14-K Bowl-a-thon chairman Nick Grazio has reported that up to the last week in May a total of \$1,409.10 was turned into the district for sight-related needs. This represented 40% of all the money and pledges that were received. Sixty percent was retained by the clubs for the same purpose.

However, he said there are four clubs that had bowlers participate who did not turn in their money as yet. He needs those receipts to complete his report. Will those four clubs please send in their money to Lion Grazio at 6627 Blue Heather Court, Macungie, PA 18062 as soon as possible.

Lion Nick announced the two winners for highest scores bowled on April 19. Winning \$50 is Gregory Altemimose with a score of 211. The second highest score was by Preston Henry, Jr., 191. He will receive \$25 from the district treasurer. Both of these men bowled at the Hampton Lanes in Northampton.

Lion Grazio said that a total of 64 bowlers participated in the bowl-a-thon at Northampton and at the Haja Rose Bowl in Allentown.

Whitehall scored a goal for the EPC girls on a penalty kick to go up 1-0. Colonial nearly scored several other times as the ball hit the cross bar or defender Becky Webster of Parkland made a number of saves, and the score remained 1-0 as the half ended.

But the tide started to turn in the second half, beginning with a goal by Colonial's Angela Motolese from Northwestern Lehigh in just three minutes.

The EPC's Bria Bittiger from Stroudsburg regained the lead shortly after.

Then Bangor's Melissa Guydish, for the Colonial girls, tied the game at 2-2. Colonial goalkeeper Madison Mennell of Pen Argyl was big on defense and the EPC girls couldn't break through. But Guydish did, when she was awarded a penalty kick that went into the net for a 3-2 Colonial lead. Another Northwestern player, Sarah Segan, added an insurance goal with 2:40 left in the game, resulting in the final score.

Guydish won the offensive most valuable player honors, while Lexi Gawelko of Northwestern Lehigh was defensive MVP. Cunningham was EPC's offensive MVP and Erica Bross of Parkland was named the defensive MVP.

They will be honored at an awards picnic on Sunday, June 14 at the 26th Street Playground pavilion in Northampton. It starts at 1 p.m. Four scholarships will also be presented. They include: Boys - Brandon Herb of Northern Lehigh High School and Brian Heckman of Whitehall High School. Girls - Kelsy Lysek of Saucon Valley High School and Makenzie O'Brien of Moravian Academy.

Players were selected to represent their league and school, with coaches choosing them from among the 2014 All-League Teams, and from the Morning Call and Express-Times daily newspapers. Then invitations were

sent out, inviting the players to participate in the games. A total of 88 responded, including 23 boys and 19 girls from the Colonial League schools and 25 boys and 21 girls from the East Penn Conference schools.

Because of the dedication by the outstanding athletes, their coaches and game officials, and the support of advertisers in the soccer program booklet, the All-Star Soccer Classic has enabled District 14-K Lions Charitable Enterprises, Inc. to continue to support Lions eye care programs, hearing research programs, and college scholarships for youths who are sight-impaired.

The soccer classic committee consisted of PDG Joe Chunko and Lion Steve Pausinger, co-chairmen, and these members: long-time chairman PDG Willard Stratz (who will be moving soon to North Carolina), IPDG Dennis Butz, DG Fred Folland, DG-elect Karen Brady, 1st VDG-elect Marsha Johnston, John Kukitz, Gary Toth, and Mark Allinson. Other Lions helped at the ticket booth, sold additional tickets, or worked in the refreshment stand run by the Slatedale-Emerald Lions Club. Thanks is expressed to all who worked, attended the games, or supported the games in any way.

Slatedale-Emerald Area Lions had the refreshment stand for the games.

LEO News

On Wednesday April 29, the Bangor Area High School LEO Club presented a check for \$1,000.00 to Lion Barry Young and the **LeaderDogs Organization**.

LeaderDogs provides housing and training for dogs to become working, seeing eye, guide dogs. The LEOs conducted multiple fundraisers to raise this money. LEO members present (from left): Treasurer- Sarina Anderson, Vice President-Rebecca Dertinger, President-Melissa Guydish, Anna Cameron, Zach Miller, Crystal Renaldi, Skye Raub, Bella Good, and Deanna Chiapuzzi. Advisor- Mr. Andrew Krohn

LEO Club Treasurer- Sarina Anderson, Vice President- Rebecca Dertinger, President- Melissa Guydish, and Senior LEO/LIONS member Zach Miller present LION Barry Young and **LeaderDogs** with a check for \$1,000.00

Congratulations to LEO Club President, senior Melissa Guydish. Melissa has been selected to play in the 34th Annual LIONS All-Star Soccer Classic held Sunday May 31 at 3:30 p.m. at Whitehall High School. This all-star game features top players from the Colonial League and East Penn Conference. Melissa will attend West Virginia Wesleyan College in the fall where she will continue her soccer career and major in Nursing.

Congratulations to LEO Club member, senior Zach Miller on his recent induction into the Bangor LIONS Club. Zach has been a 4 year member of LEO Club and has demonstrated true values of leadership and community service. Zach will attend Penn State University-Berks where he will major in Business/Mathematics.
