June 2017

Final Cabinet Meeting Of Lions Year in Schoeneck Moravian Convention Committee Has Wrap-up Meeting

District 14-K will wrap up this Lions year 2016-17 with a final Cabinet meeting on Saturday morning, June 10. It will be in the fellowship hall of Schoeneck Moravian Church, 316 N. Broad St. Extension, Nazareth, north of the Borough Park. Region III zone chairpersons Lion Ana Toolan and Lion Paul Stoudt will serve as hosts.

The breakfast buffet begins at 9:00 a.m.

Reservation deadline was Friday, June 2. Please make out a check payable to Lions District 14-K for \$8.00 per person and forward it to ZC co-chair Stoudt at 320 Hawk Ave., Wind Gap 18091 (610-759-1787). His e-mail address is thestoudts@msn.com

It will be cabinet

photo day so the dress code for Cabinet members is formal summer greens - green blazer, white slacks or skirt, green tie for men, and white shoes.

The business meeting will immediately follow the breakfast. Each club is asked to have one or more representative attend. District Governor Marsha L. Johnston will check our progress on the goals that were set before us, and give a sneak preview of what Governor - elect Donald Kaufman is planning for the new Lions year 2017-2018.

"Service is the Key to the Future," says DG Marsha. Let's live it as Lions, Lionesses and Leos.

The 2017 District 14-K Lions convention in March was a success, all reports indicated when the planning committee held a wrap-up meeting on June 3 at Friedens U.C.C. Church. Attendance was down, including DG Marsha Johnston, due to conflicting events, but reports were given either orally or on papers turned in to cabinet secretary Cheryl Fatzinger.

Several survey sheets that were turned in by persons attending the seminars reported that they enjoyed the presentations. There were two morning sessions, with these numbers of people attending the seminars: vice presidents and presidents, 30; tricks and treats, 13; Centennial Challenge, 26; Meet the Taters by PID Cindy Gregg, 33; secretaries, 7; and club success

stories, 24.

Overall attendance at the 2017 convention in the Holiday Inn included: registrations, 115; lunch, 163; Saturday banquet, 102, and Sunday necrology, 98.

Incoming District Governor Don Kaufman asked the committee members present to, "Start talking about the convention. Invite all the new members and recognize them. Our biggest goal is membership. Every member matters."

Lion Richard Schreiner reported on the number of Lions who voted, and on Saturday the committee authorized him to dispose of the ballots.

PDG Tom Dieter again volunteered to chair the 2018 convention with PDGs Fred Folland and Joe Chunko assisting.

Lion Kaufman will confer with PID Gene Polgar on seeking an International speaker for the convention.

A vote was taken on whether or not clubs can sell anything at the convention, and it was decided not to allow it.

Lion Kathy Dieter reported that four door prize baskets were not claimed. They will be raffled off at the next Cabinet meeting for additional funds.

The first regular planning committee for the 2018 convention will be on Monday, Sept. 25 to allow time for mailing of registration forms in January. The dates for the convention, again at the Holiday Inn, will be set. Everyone was pleased with the cooperation of the hotel. Prices and other details

Bowl-a-Thon Lion and Lioness participants at Hampton Lanes in Northampton on April 23.

July 20th Banner Exchange to Mark Start of New Lions Year

Invitation letters have gone out to the Lions, Lioness and Leo clubs in District 14-K inviting all our members to the first big event for incoming District Governor Don Kaufman, the banner exchange between his Emmaus Lions Club and the Upper Lehigh Lions Club member, Immediate Past District Governor Marsha Johnston.

It will take place at the Emmaus Fire Co. #1 on Thursday, July 20 with a cocktail hour from 5:30 to 6:30 p.m. and the call to order at 6:30.

The fire company is located at 50 S. 6th St. in Emmaus.

Each individual needs to make out a check for

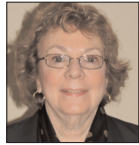

\$16.00, payable to "Emmaus Lions Club", and sent to Lion Elliot Billman at 669 Furnace St., Emmaus, PA 18049. The deadline is Monday, July 10. Dress is casual - club vest, club shirt, etc.

On the menu for the night are deli meat and cheese platter with rolls, pulled pork barbecue, baked beans, and pasta salad. Beverages are in a cash bar, along with soft drinks and coffee.

The Lions are ready to begin another successful year in Lionism and your presence will make it that much more meaningful in the transition between the two leaders. Let's celebrate!

District Governor's Message

More New Members Means More Service

This is my last message as District Governor. I want to take this opportunity to thank everyone who contributed to making this a wonderful year. I have truly enjoyed my year as District Governor. I ask that you come out and support DGE Don Kaufman and 1st VDG Karlene Laub as they begin their year of service to our district. They are dedicated Lions who will do their very best to promote Lionism in District 14-K.

At our recent State Convention, International President Bob Corlew reminded all of the outgoing governors that we still have 40 days to continue our work as governors. I agree and I believe that our tasks as Lions never ends.

Increasing membership and new club growth is a priority in our district. I received an e-mail from PID Cindy Gregg mentioning that 13 clubs in District 14-K did not add one new member this year. If each club would add one new member, our growth would be amazing throughout our district. Think of all the service we could provide to our communities. Remember to Ask One, or invite a friend to participate in a service project or fundraising project. When the opportunity presents itself, promote your club, promote Lionism.

I ask you to seriously think about stepping into a leadership role. There are opportunities to serve on the cabinet level, and we need a 2nd VDG. Being District Governor requires a lot of your time, but the opportunities available outweigh the hours you spend in meetings and completing paperwork. There is nothing like the bonds that are formed when Lions united serve our communities at all levels.

Let's make 2017-2018 a super year in District 14-K. **Roar Lions Roar!**

DG Marsha Johnston

have to be negotiated in meeting with the staff.

The June 3 meeting concluded with those present enjoying a slice of cake and ice cream with either chocolate or strawberry syrup, thanks to Lion Kathy on her birthday. She and Diane Folland served it. On the icing the words inscribed were "Happy Birthday and Thank You All."

Hundreds of Frames Available For Glasses

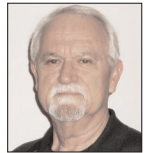

When Dr. Julio Rojas was a member of the Allentown Lions Club (now disbanded) his club purchased hundreds of new frames for patients without insurance. If you know of anyone in need, his office is located at 451 Chew St. in Allentown. Contact Dr. Rojas at 484-664-2040.

Dr. Rojas transferred his club membership to the Mountainville Lions Club and secretary Cheryl Fatzinger said, "We are very happy to have him as a club member!"

1st Vice District Governor's Message

Chicago

Centennial Convention

It's a Great Time to be a Lion, Leo and Lioness!

As of today, May 15, 2017, there are only 47 days left until the Chicago International Convention. I am one of the seventeen District Governor-Elects from Pennsylvania who will be installed on July 4th as a 2017-2018 District Governor. What an honor it will be!

Preparations for next year have begun. Many of the District 14-K Cabinet positions are already filled, with only a few remaining vacancies.

Thanks to Lion Cheryl Fatzinger, District Secretary, the schedule for official Club visits for the ensuing year is complete. Thanks to each Club in the District for working with Lion Cheryl in setting up these dates - it is much appreciated.

The District Handbook is a work-in-progress. A lot of effort goes into making the handbook each year. Lion David Fatzinger does a great job updating each section of the book with new data as it becomes available. This year we are trying something new - we are asking for ad sponsors to help offset the cost to print the handbooks. This, in turn, will reduce the cost to our members who wish to have their own copy.

The District 24-K Convention Committee will hold a wrap-up meeting to review and discuss the 2017 convention and begin planning for the 2018 convention. Our goal will remain the same - bring innovative programs and seminars and increase attendance. The feedback we received told us that you enjoyed having new programs and events.

I hope every Club works on member retention and membership growth during the summer months and takes every opportunity to invite potential members to your summer events and fundraisers. Seek new partners so your Club can make a bigger impact in serving your community.

In Lionism,

1st VDG Don Kaufman

2nd Vice District Governor's Message

Someone Needs to Step Forward to Become a 2nd VDG

It's hard to believe this is my last month as 2nd VDG. I'd like to thank everyone, including 1st VDG Don Kaufman, for allowing me the opportunity to come in as 2nd VDG. It has been challenging at times since I am also President of my club, but it has been very rewarding. I have met the other 2nd VDGs from Pennsylvania and will get to spend a lot of time with them over the next two years. I was dismayed at the fact that there are 7 of 17 Districts that do not have a 2nd VDG including District 14-K. I am concerned about what will happen to District 14-K and all the people we help. What will happen to the people who need those eye surgeries, who need those hearing aids, who count on us at the food banks, who rely on us supporting the Center for Vision Loss or Beacon Lodge?

Please take a good look at what is at stake for Lehigh and Northampton Counties. Just like me and all those who have come before me, it may be scary to think about stepping out of your comfort zone, but we need you to keep our legacy alive.

I just returned from the State Convention and Council Meeting at Seven Springs in Champion, Pa. I was unsure of myself going into the first State Council Meeting last fall, but this was my third and best one yet. I have learned that there are many Lions who have the same thoughts as myself. We need to be good Lions, to motivate others to learn about what it means to be the best Lion you can be and the need to volunteer and serve those who need us, regardless of who they are or where they live. I know you've heard it before, but I can't say it enough, "If everyone would give just a small portion of time or talent, the world would be a better place." The sessions I attended gave me the motivation I needed to continue my quest to make our club meetings fun, productive but not time consuming, conducive to families and younger members and geared to doing more service projects instead of just writing checks. Find out what the needs are in your community. Find out who in your community needs help but are afraid to ask. Volunteers are the very heart of our existence.

I am pleading with every Lion in District 14-K. It will be a long, difficult year for both DGE Don Kaufman and myself without a 2nd VDG. You won't be sorry you stepped forward to lead District 14-K into a future of greatness and hope for others.

2nd VDG Karlene Laub

Alburtis Lions Club Help Celebrate Mayfest

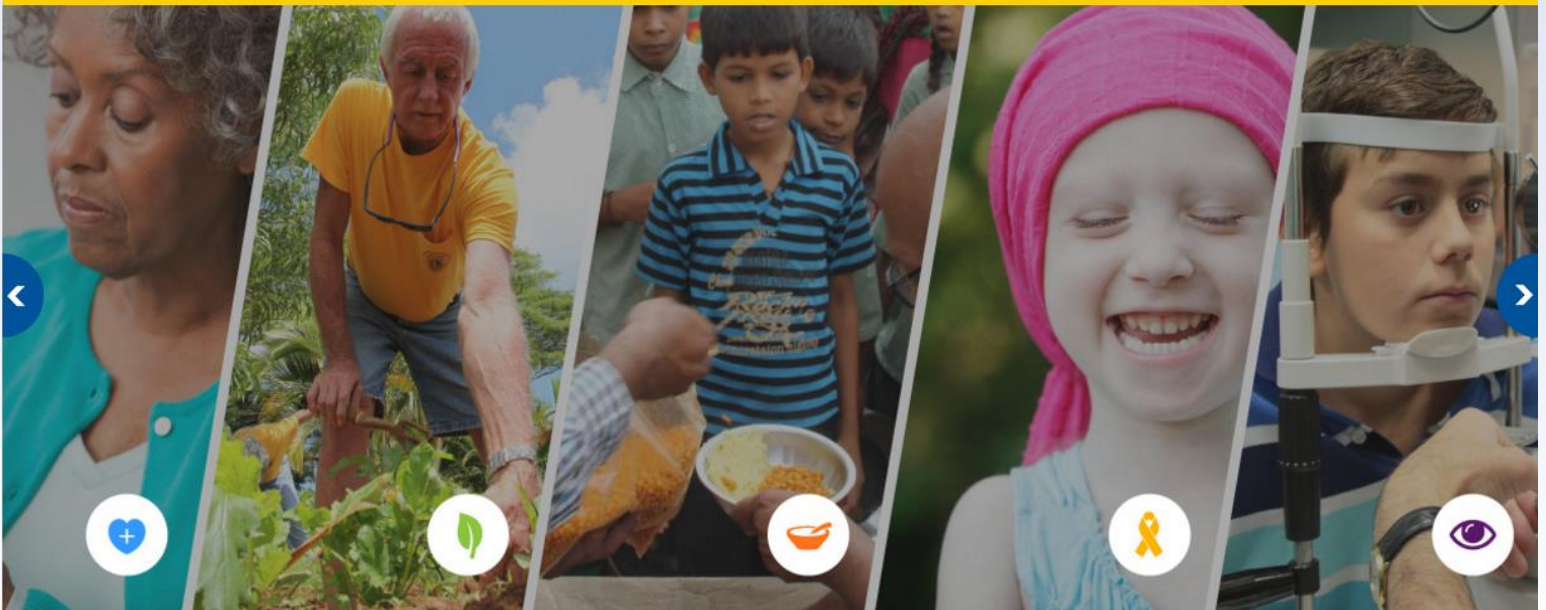

The Alburtis Lions helped the Borough of Alburtis celebrate Mayfest on May 7th. The club set up a food stand and sold turkey BBQ sandwiches and Boneless BBQ Rib sandwiches. The club tried to fight off the rain, but a few showers and chilly weather kept the main festivities inside. Despite the questionable weather, the club was able to sell some food and give out balloons to the children, which of course helps give the club visibility in the community...which was our goal this year.

Feeding the masses while making new friends and staying dry at Mayfest
