## District Governor's Message

### It's A Great Feeling To Be A Lion

It's a Great Time to be a Lion, Leo and Lioness!

Lions Clubs International's vision is to be the global leader in community and humanitarian service. *LCI Forward* is a strategy created to help us with serving at least 200 million people per year by 2020-2021 through expanded humanitarian service. Every Lion member in District 14-K can help, no matter how big or how small, to serve in some way in one of our focus areas: Vision, Hunger, Environment, Pediatric Cancer or Diabetes. The number of people in need served by a Lions Club - the visually impaired, people with disabilities, people needing urgent assistance and often life-changing medical assistance - has increased sharply (by four-fold) since 2010-11, and is increasing every year. Begin your Club strategy now for the ensuing Lions year.

My year as District Governor is coming to a close. I want to thank everyone who served on the cabinet this year for all their help. I also want to thank DGE Karlene Laub for serving as our 1st VDG alongside me this year. She is going to be a great district governor. During my year I was honored to meet so many dedicated Clubs and members. I thank you for all the courtesies extended to me.

Please enjoy the summer months ahead and take time to recharge your batteries. Share your love with family and friends who help make your life complete. If you are planning a vacation this summer and are planning to do some driving in the process - look for the many Lions signs throughout the many communities of the world. Know that Lions are planning or doing service activities everywhere you go. It's a great feeling to be a Lion - WE SERVE.

In Lionism,  
DG Don Kaufman

## District Governor-Elect's Message

### Think Differently About Meetings

This is my last message as Vice District Governor. I can't believe how quickly this year has gone. I would like to thank DG Don Kaufman for all the help he gave me since the beginning of his tenor as District Governor.

I was thrilled to visit with the clubs and to see how differently the meetings are run. Since I am specifically focusing on service this year, my visitations will be different. I will be working along side of you for one of your service projects. I feel it's important to really get to know the members of our clubs and what a better way than to spend time doing what we like best, serving others, and having fun doing it. I am looking forward to my visits.

The Past District Governors and the Executive Committee are committed to change and we want to hear from you. We want to know your ideas and what you think needs to change in our District. We are focusing on getting women in the clubs and families involved in meetings. Invite families to your service projects and meetings. Have crafts or activities for the children while mom and dad have their meeting. Perhaps you could ask the Leos to supervise the children's activities or help older children with their homework.

Start thinking differently about how you conduct your meetings. Maybe you only need to meet once a month. Maybe you can communicate in between meeting via email. Maybe it is more appropriate to have a luncheon meeting because older members have problems driving at night. There are so many possibilities. Check the Lions website and look for "Your Club, Your Way". LCI wants you to do what is best for the growth of the club. I have lots of ideas.

Invite me to one of your meetings and let's talk about changing the way we do things.
