During this critical crisis of Covid-19, please protect yourselves and others by respecting the restrictions put in place for our well-being. Stay home. Wear a mask outside. Keep a safe distance apart from others.

Stay connected with family and friends whether by phone or internet. Connect with neighbors from your own front doors. Be gracious and thankful to the essential workers who continue to provide the services we need to be safe at home.

Now is the time to plan community service projects once clubs can meet again. Lives have been changed forever. Consider what support and assistance will be needed by local families and small independent businesses. We Lions can help. #LionsServe

## ***Message***

**May 2020**

### **Greetings to all our Lions, Leos and Lionesses!**

I wanted to change my photo to reflect the stay-at-home beard I'm growing but decided that by the time I see most of you again I will have shaved it off. Or not! You'll have to wait and see. Besides that silly little thing - I've managed, like most of you, to stay at home, not try to be a hero, and stay healthy for my family and friends. So far so good.

### **2020-2021 District Handbook**

I have received a few updates from various clubs; new officers, change in meeting locations, updated member contact information, and meeting times. Now is a great time to collect all your club information and send it to me via email. I will soon be sending out requests for ad sponsors for the new handbook.

### **2<sup>nd</sup> Vice District Governor Needed – 2020-2021**

If you are interested in becoming our 2022-2023 District 14-K Governor – now is the time to express your interest and inform me or DGE Dan Lombardo. Qualified candidates will receive excellent training and guidance from LCI and our District leaders. It takes just one phone call to begin the process of leading one of the greatest group of Lions in Pennsylvania. It's both challenging and rewarding and an experience that may change your life forever.

### **Communicate / Stay Safe**

Continue to communicate with your fellow members and make sure everyone is safe and secure. Please consider using the Call-Em-All and let me know if you need any help doing so.

In Lionism,  
DG Don Kaufman

## Greetings Lions, Lioness, and Leos,

May this newsletter find you well! We are now approximately eight (8) weeks into the global coronavirus pandemic. That's a long time to be social distancing, while we are missing everything familiar, including our family and friends.

*Have you embraced the challenges and did you seek the hidden rewards and blessings?*

*Did you learn new ways to communicate through technology?*

Nearly "everything Lions" was cancelled due to social distancing: club meetings; D14K Convention-Fogelsville; MD14 State Convention-Erie; Lions International Convention-Singapore. *Lions are finding ways to work around the obstacles because SERVICE must continue.*

**DGE Dan Lombardo and I, as 1VDGE, both THANK YOU for your confidence in us as we bring District 14K into the future. It will be a team effort and we will depend on every D14K Lions' support.** We're already at work with building D14K Cabinet positions, scheduling the DG visitations, etc.

**CLUB REMINDERS of THINGS TO DO** as we approach the 2019-2020 Lions fiscal year:

- CLUB OFFICER ELECTIONS FOR LIONS YEAR 2020-2021 –  
*All Lions clubs are permitted to conduct meetings via "alternative meeting format": phone, email, or any other method that will permit the Lions Club to move forward.*
- NEW SLATE OF OFFICERS for the ensuing year, enter on the LCI website **by May 15th**
- INSTALLATION OF NEW BOARD 2020-2021 – make arrangements with a District Official, PDG or past Club president to perform installation.
- HANDBOOKS/MEMBER INFO – make updates and prepare for new club handbook for printing (if you have one). Club secretaries should make sure all member information on the LCI website is up to date. We will be using this info in creating 2020-2021 District Handbook.
- CLUB AUDIT for 2019-2020 – conduct with your Club treasurer and share with your members
- NEW BUDGET for 2020-2021 – create one
- PLAN your fundraiser events and service activities: communicate to your members
- MEMBERSHIP DRIVE – schedule one for 2020-2021
- MEMBERSHIP RETENTION (every member matters) – create a program and/or member orientation refresher
- FUTURE LEADERS – promote within your Club
- DISTRICT ACTIVITIES – participate!
- BOWL-A-THON 2020 – reminder to submit 40% pledge monies to 1VDGE Debbie Lillegard (Emmaus L-L); make checks payable to Lions D-14K.

THANK YOU, volunteers, for your generosity, kindness, hard work, expertise, and perseverance. You make a difference, in more ways than one. Though we are currently pausing due to the global coronavirus pandemic, we are anxious to continue to serve our communities. Let us continue to SERVE.

Stay well!

Yours in service,  
Debbie Lillegard

## A Reminder for All Lions

Lions, as we all travel through these difficult times, being quarantined at home, missing seeing friends, relatives, and Lions we still need to make the most of our valuable time. As a reminder we are providing a snippet from President Choi's message to all Lions around the world.

Please be sure that you and your Club Leaders are continuing to meet whether by phone or video meetings. Do not forget to include those that may not have the technology to connect. Send them minutes of the meeting and call them to keep all informed. In these times we need to have all our members involved and serving in any way possible.

It has been overwhelming to see how clubs are putting their resources together to continue to serve. Need help with that? Reach out to your GAT team for ideas.

Also, please remember to practice safe distancing and proper health measures. We all want to see you at the next event when we can meet in person again.

**Dear Lion,**

I am always amazed by the perseverance of Lions everywhere. Even in these difficult times, you are finding new ways to stay connected with your club and innovative ways to safely make a difference in your community.

Your commitment to our mission of service in this crisis is inspiring and exactly what our communities need. We are showing the world that there may be limits on what we can do in a time of social distancing, but there are no limits to the kindness of Lions.

Let us all continue to put health and safety first as we continue the important work we are doing as Lions.

Regards

**Dr. Jung-Yul Choi**  
**International President**

Club meetings are so important to our service and culture, and virtual meeting tools make it possible for Lions to stay active and connected in this time of social distancing.

Make the most of your time together with these [tips for hosting a successful virtual meeting](#). And remember to make every meeting a memorable one.

Need help connecting with your club, see one of your GAT members for assistance.

Keep Your Service Up and Thank You for All That You Do

Council Chairperson Bill Morgan
