District 14-K Communicating with Our Members

Vol. XXXII, No. 5

November 2018

## District Governor Laub Calls Special Meeting on Members

In a telephone message on Wednesday, October 24, First Vice District Governor Donald Kaufman alerted Past District Governors, and Club Presidents, Immediate Club Presidents, and Club Secretaries that District Governor Karlene Laub has called a Special Meeting for Monday, November 5 at 7:00 p.m. in the lower level of Christ U.C.C. Church at 5050 Airport Road, Allentown.

He said, "A few weeks ago a survey questionnaire was sent to each club in District 14-K. The results from each of you are very telling and validate the fact that too many clubs are struggling with leadership and membership issues as well as vol-

unteerism with fundraisers. District leadership is also struggling."

As a District, our membership has fallen from as high as 1,250 to its present 869. We have lost 1/3 of our members!

District Governor Karlene is calling for this Special Meeting to address **The Future of Our Clubs and Our District.**

We have to get together to determine how we can get and keep new members if we are to survive as a district. It is important that as many of those club officers attend to offer their suggestions on what we can do in regard to boosting membership.

Refreshments will be served.

## Second Cabinet Meeting November 10 at Brass Rail

All members of District 14-K are invited and encouraged to attend the second Cabinet Meeting for Lions Year 2018-19. It will be a breakfast meeting at the Brass Rail restaurant, 3015 Lehigh St., Allentown, on Saturday, Nov. 10 at 9:00 a.m.

After the breakfast buffet, guest speakers will be Doug and Linda Sheriff from the Angel 34 Foundation. Angel 34 provides service, support and hope for those battling childhood cancers.

The cost is \$10.00 per person, and the dress code for Cabinet members is formal winter greens - green blazer, gray trousers, white shirt, green tie and black shoes.

Region 2 Zone Chairpersons are overseeing the arrangements.

The reservation deadline is Wednesday, Oct. 31 to ZC Mary Neher, 630 Northampton St., Hellertown, PA 18055. Phone 610-838-6367 or e-mail her

at nehersurf@aol.com

Cabinet reports should have gone to Lion Debbie Lillegard at 8519 Putnam Ct., Breinigsville, PA 18031 by Friday, Oct. 26. E-mail: Deborah.lillegard@selective.com

District Governor Karlene Laub's theme for this year is "Lions - The Heartbeat of the Community". We all can do our part in serving the community, and by attending the Cabinet meeting you'll learn what is taking place.

While welcoming her fellow Lions, Lionesses and Leos to the CVL needs breakfast, District Governor Karlene Laub also displayed the trophy the district won as the 2018 Accessibility Champion.

## \$36,000 in Checks and Pledges At District 14-K Needs Breakfast

The Lions, Lioness and Leo clubs of District 14-K brought checks and pledges totaling \$36,000 to the Center for Vision Loss needs breakfast on Saturday, Oct. 20 at the Northampton Banquet & Events Center.

Most of the district clubs were in attendance, each represented by three of their members. They were welcomed first by Doug Yingling of CVL. After the invocation by PCC Lowell Hawk, the Lions toast was followed by remarks by District Governor Karlene Laub, who showed the glass tro-

phy the Lions District was awarded as the 2018 Accessibility Champion at the recent Lehigh Valley Night4Sight banquet.

Dennis Zehner, CVL's Director of Development & Marketing, was introduced by Yingling. He ran a video which was a short history of the former Association of the Blind & Visually Impaired (ABVI) and the Lions working with them.

Yingling then presented patches to the clubs for the amounts they contributed last year, and he explained how the money was spent for 504 clients

Dawn Sellers of CVL spoke of the eye screening program for elementary school children.

in services that maintains their independence, improves their life skills, helps with escorted transportation rides, provides vision screening for school children and community members, and agency education programs. A total of 15,564 individuals were reached in 2017-2018.

He pointed out that the agency has evolved to serve people of all ages

A large amount of district members were present at the breakfast.

## District Governor's Message

**I'm Having a Great Time Meeting Our Members**

Fall weather has finally come and with it came the Fall Frenzy for me. What a great month I had. I spent much time meeting Lions and getting to know them better. October was White Cane month and several clubs had their White Cane activities. I spent time with the Coopersburg Lions Club at Link Beverage and with Hanover Twp. Lions at the Turkey Hill on Rt. 512. Both events were planned well to coincide with the busiest days and times. It is interesting to see the type of people who care and are willing to donate money to help the blind. I spent another fun evening with the Catasauga Lions at the 3rd St. High Rise playing bingo. This is the second group that told me the Catasauga Lions were the only ones who come and do things for them. Thank you, Catasauga, for your service.

I had a fun time at the Hellertown Halloween Parade. We sold hotdogs and apple dumplings and I got to dress up in my witches' outfit. I couldn't take the broom, as it was too windy. Those who attended the District Rally told me I looked very much like District Governor Florence Flowers from 14-Z. She's actually related to me. If you weren't at the District Convention, you missed her. You also missed a wonderfully interesting presentation by Lion Seth Campbell and Bob Rapp who are affiliated with the Lehigh Valley Hospital Street Medicine Program. Like the Lions, these men provide a service to the community that is invaluable. The Emmaus Lions Club won first prize for their hat. They won a pizza party, provided by me. The club asked me to please donate the money I would have spent on pizza to the Street Medicine Program. Thank you, Emmaus Lions, for always thinking of others. The money will be spent on much needed medical supplies.

On Thursday, October 18, I was honored to accept a beautiful award for the Lions of District 14-K. The Accessibility Champion Award is the highest award presented by the Center for Vision Loss. The award was presented by President Lin Gehris, PDG from District 14-K. We have been partners with the Center for Vision Loss since its inception in 1928 and we will continue to be partners in the mission of enabling the visually impaired to live without barriers.

Finally, the Needs Breakfast was inspiring. It is wonderful to see our partnership in action. The clubs in the district were well represented. I was happy to see the president of the Northern Lehigh Leos attending. Doug Yingling remarked about the number of Leo clubs in the District and I am always happy to see them be part of our events. Over \$32,000. was raised that morning with the promise of more to come. Thank you, Lions, Lioness and Leos. You make me proud to be your District Governor.

Yours in Lionism,  
*DG Karlene Laub*

## 2019 District 14-K Convention Plans Continue

The district convention committee had its second meeting on Monday, Oct. 29 to continue planning for the April 27-28, 2019 District 14-K convention in the Holiday Inn along Rt. 100 & I-78.

Last month, three changes were made because of a \$1,200 deficit after the 2018 convention.

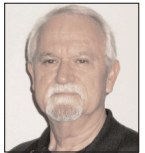

First, there will be no Saturday night banquet. Instead, the Saturday afternoon luncheon will include much of what was intended for the banquet. There will be an address by International Director Steve Thornton from Wooster, Ohio; Peace Poster contest winners will display their art and they will receive their awards; the Leo of the Year will be announced and receive an award; raffle drawing and basket winners will be announced, and those receiving Melvin Jones Fellowships will be given their plaques and pins.

The election will likely be held before the luncheon and the results announced then.

On canceling the Saturday evening banquet, members of the committee felt that the attendance would be better if the Lions and Lionesses didn't have to go home and come back in the evening. There are also several people who do not drive at night. The committee leaders are continuing negotiations to lower the price of food as much as possible.

Another change is registration. The cost of printing registration forms and sending them through the U.S. mail is expensive.

## 1st Vice District Governor Message

**Think About the Needy As Cold Weather Moves In**

It's a Great Time to be a Lion, Leo and Lioness!  
**Seasonal Changes**

Summer is over and the leaves are changing. It feels like Fall is in the air and Winter is right around the corner. Time for Lions to shift gears and think about community needs brought on by the colder weather. We must pay special attention at this time of the year to the elderly and the homeless.

### Partnering for Success

Many children go without a winter coat or a scarf because their parents can't afford them. The same situations exist for many of our elderly citizens and the homeless living in shelters and on the streets. What can we as Lions do to help?

We can partner with senior centers, 55 and older facilities, and other senior community centers in our area. Many seniors love to knit, crochet, and do quilting in their spare time. We, as Lions, can approach these senior organizations and ask for their help in providing needed items for the underprivileged in our communities. We provide the yarn and other materials - and the seniors provide the labor!

Here's a suggested list of items we can donate via partnering:

- Knitted afghans for homeless shelters
- Sweaters, socks, hats, baby clothes
- Security blankets for children in need
- Crocheted caps for Chemo patients who are often cold in clinics and hospitals
- Knitted teddy bears for children

Please reach out to the senior people in your neighborhood to help the Lions help others in your community.

### Donate to the Homeless

Our friends at LVHN Street Medicine are in need of sleeping bags and tents (new or slightly used) for the homeless. If you have any of these unwanted items please take them to the Department of Community Health, 1628 W. Chew Street, Suite 2901, Allentown, PA 18102.

Thanks for all you do!

In Lionism,

*1st VDG Don Kaufman*

Instead, the form will be e-mailed to each club secretary, who will make it available to their members, and they, in turn, will forward their name and check for the meals to registration chairpersons PDG Linwood and Lion Gail Gehris, whose e-mail address is 641954@outlook.com or by mail to their home at 6357 Pinecrest Lane, Macungie, PA 18062.

Thankfully, there will be a necrology service and breakfast on Sunday morning, with the deceased Lions and Lionesses to be remembered, and a sermon by an area pastor as arranged by PCC Karen Brady. The late Cabinet Secretary Cheryl Fatzinger will be remembered with a special eulogy. Families of the deceased will be invited to attend.

Lion Wendy Naugle will arrange interesting

seminars. One new suggestion was a seminar on Angel 34, and how it has helped after a child gets cancer. (It will be a topic at the Nov. 10 cabinet meeting.) Vendors are being contacted for displays by Lion Silas Rodenbach.

The next convention committee meeting will be on Monday, Nov. 26 at 7 p.m. in Christ UCC Church, 5050 Airport Road, Allentown.

and visual capabilities with the growth of its rehabilitation and prevention services in its service areas of Lehigh, Northampton and Warren counties. He noted, too, that direct services provided by individuals is important, and said that a foundation called Kaleidoscope has been started, and that Diane Michaels is running classes, one of which is cooking.

Dawn Sellers spoke on CVL's prevention programs, particularly the vision screening of school children. The youngsters learn and play games at the same time. "It's rewarding and changes their lives," as visual deficiencies are detected, she said. Mrs. Sellers challenged the clubs to reach out and provide at least one eye exam and glasses to a person each year. "CVL could not provide all the services we do without the funding of the Lions," she concluded. After the program was over, she answered questions about the screening, and said she can screen 40 children in one hour, and with 250 children she can use additional help.

Several other staff members were introduced by Yingling. He said he's a (Emmaus) Lion, and knows what they do, when he got up at 5:30 one morning to help with a fund-raiser.

Then he called one club after the other, Lions, Lionesses and Leos. They responded with hundreds and thousands of dollars in checks and pledges for the Center for Vision Loss needs. With a goal of \$55,000, more funds are expected from clubs that were not present at the breakfast.

The totals needed include: \$42,500 for operations support; \$5,000 for escorted transportation; \$5,000 for screenings for children; and \$2,500 for the eye heart vision fund.
