District 14-K Governor's Message

As Thanksgiving approaches we all have much to be thankful for. My club visitations have started and I am happy to say that I have been able to meet in person with those clubs. As I spoke to the clubs we discussed the state of the club and their fund raising efforts. Each club was able to tell me a success story about their fundraiser. From the Duck Race by the Emmaus Lioness Lions club to the Chicken Barbeque by the Richmond Club to the Tractor Pulls for Lehigh Township, each was tremendously successful. Don't think that fundraisers won't work. People are looking to help their community in any way they can, especially in these difficult times.

The point is to not give up. Work together as best we can. Think outside the Box.

Keep in mind World Diabetes Day is November 14th.

As Lions, we will get through this. We will be stronger for it.

Yours in Lionism,

District Governor Dan

Greetings Lions, Lioness, and Leos,

As I look out my window, leaves are blowing outside. It is nice to living in an area where we have four seasons and can see the beautiful dance of fall color. I enjoy fall almost as much as I enjoy spring. Spring reminds me of new life and new beginnings. Fall reminds me of cleansing and preparation as the trees shed old leaves to make way for new leaves, it is this gentle reminder that life keeps going.

Life does keep going...despite a pandemic and need for social distancing. Clubs are learning new ways of meeting and communicating. We are hearing wonderful stories how life keeps going in District 14K through service, fundraising, and membership growth.

Shout out! Do not be afraid to have conversations about Lions with your friends. One never knows who is listening, as folks/businesses are willing to help when they know there is a need. Recently a Lion shared in conversation with a friend that their club would have trouble this year in their donations to the community as the pandemic had hurt their fundraising efforts. Recipient of an unsolicited philanthropic **\$10,000 grant**, the **Lower Lehigh Lions Club's** "Helping Hands Project" will now be a reality for this holiday season, along with other deserving projects. Congratulations!

"Ask what your district can do for you" – 2020-2021 DG theme. District 14K and Multiple District 14 (state level) are here to support Clubs. If your club has questions, or needs assistance, please reach out to DG Dan Lombardo, 2VDG Kathy Duelley, myself, a PDG, or any member of the Executive Committee. If we do not know the answer, we will go searching for the answer.

There is so much to learn about Lionism! When we were new members joining a Lions Club, typically a friend asked us to join Lions. We wanted to serve our community and those in need within our community. As new members, we were focused on our own club, but may have been unaware of District 14K (serving Lehigh & Northampton Counties), or even Pennsylvania (Multiple District 14), nor Lions worldwide. Some clubs did not offer an orientation so this limited one's knowledge of Lionism. There is a wealth of knowledge about Lions on the Lions website www.mylion.org. **Check it out!**

Virtual Meetings: Stay Connected While Staying Safe

Hosting virtual club meetings is a great way to stay engaged while safely coordinating your service efforts. Explore the online platforms and tools that could be helpful for your club.

Report Your Virtual Activities - reminder

Your innovative virtual meetings and service make a difference. You have done a great job serving safely - so report your virtual activities in MyLion.org.

White Cane Days - reminder to submit your club's 2020-2021 White Cane Activities to Lion Richard Schreiner.

National Diabetes Awareness Day - November 14, 2020. We would like to hear how your club brought awareness to the community for living with Diabetes.

Eye Glass Collection - Clubs may have quite a stockpile of eyeglasses from 2019-2020 (if you did not turn them in at the 4th Cabinet meeting) & for 2020-2021. Because of the pandemic, the research/recycling department at the University of Pittsburgh placed a hold on accepting donations as their storage facility is at capacity. They fully expect to resume accepting donations. They requested, when the program resumes, that cases not be included in donations. District 14K Convention and eyeglass collection (tentative) scheduled April 24, 2021.

2nd Cabinet meeting - November 21, 2020. Cabinet reports are due to District Secretary/PDG Karlene Laub by November 13. I look forward to seeing you!

Like the leaves that come and go every year, life goes on. Life in Lions goes on too. I am thankful for each Lion and the opportunity to know and SERVE with you. Please do not hesitate to contact us if we can do anything for you or your club. Happy Thanksgiving!

Yours in Lionism,

Debbie Lillegard IVDG

Message from 2VDG Kathy Duelley

Hello fellow Lions, Lioness, and Leo's,

Happy Fall everyone! It's hard to believe it's the end of October and we are still struggling to get through the Covid crisis. We will, however, make it through. Our next Council of Governors State Council meeting will be held by zoom again in the beginning of November. However, I really look forward to meeting other 2ndVDG's at an in-person meeting at the State Council office on Oct 31.

We will be having our November Cabinet meeting in person at the Friedens UCC Church in Slatington on Nov 21st. The Executive Committee meeting will be held on Tuesday, Nov 17, at 7pm at the UCC church on Airport Rd, Allentown.

Just a reminder that the Coffee Mugs for Veterans service project is still going on until mid-November. If your club is participating, please contact me at kathyduelley@gmail.com or 484-802-2386 and I will be happy to pick up your filled mugs at each club's designated location. I would like to deliver the mugs to the VA before Thanksgiving. Thanks for helping with this simple service project!

Remember to report your club service projects on My Lion each month. If you are searching for service project ideas, take a look around My Lion and peruse projects that other clubs are involved in. Even during this difficult time there are many great ideas out there for fundraising and service. People are in need. Look in this issue of the Tattle Tailer for the Advent Food Calendar and donate to your local food bank!

Please reach out if your club needs help from the District. We are here for you.

Yours in service,
Kathy Duelley

Congratulations to all the winners and thanks to everyone - the members, the patrons, DG Dan Lombardo and several of his cabinet members who participated in the fun. • The annual Chase the Chill at the Triangle in Emmaus is set for Saturday, November 7. We were also able to incorporate a Zoom meeting for members who may not have been able to attend the meeting in-person. Feedback on the hybrid format was that it went pretty well (See attached pic). CHARITABLE ENTERPRISES AFFORDABLE HEARING AID PROGRAM

Lions have always done a great job recycling eyeglass lenses and frames. Now, in conjunction with District 14-K Charitable Enterprises and the generous efforts of a local audiologist, Clubs will be collecting and recycling used hearing aids, along with eyeglass frames and lenses.

Hearing aids do have a limited salvage value, the proceeds of which can then be applied in the Affordable Hearing Aid Program initiative offered through District 14-K Charitable Enterprises.

Please consider creating a Hearing Aid Recycling collection box (see below) and place it at the sites already being used to collect eyeglasses. A separate receptacle will make it easier for your Club to separate the eyeglass items from the hearing aids.

We are asking that any hearing aids you collect be separated from the eyeglasses and brought to the District Convention in April, where they will be processed by Charitable Enterprises Hearing Committee members and prepared for salvage conversion.

We will not be accepting any single, loose hearing aid batteries. Please recycle them appropriately.

We will accept new batteries in unopened, intact packages.

Please contact Lion Tom Lindeman (lindemant@ptd.net) for further information or support.

Thanks for your support in this endeavor!
