Team District 14-K Food Collection All Year Event

Last year we chose to challenge our Lions and Lionesses to competitively donate to their local or any other Second Harvest Food Bank pantry over a two-month period. The need is still the same, but this year I am challenging all clubs to participate all year as a team, "Team District 14-K". Again, all non-perishable food donations will be weighed or estimated.

Last year, 82.4% of donors chose to contribute monetarily and again every \$1.00 will be recognized as an equivalent of 9 lbs. of food. The reason for this is Second Harvest Food Bank can purchase food more economically than we can and much is also donated to them by government agencies or private businesses. **You may list all donations as of July 1, 2013. Please list only one donation per form.** Only Food Pantries operating under the Second Harvest Food Bank will again be considered. The list of pantries is the same as last year.

Complete the form:

1. List your club name.
2. List the date.
3. List the weight of your donation or the amount of your monetary donation and its equivalent in pounds.
4. List the Food Pantry name on the check and the form as the Receiving Agency.
5. Have the Agency Representative sign as having received the check.
6. The completed form is then sent to the Second Harvest Food Bank; the check is kept by the Food Pantry.

I have set a goal of 50,000 lbs. and will keep you informed of our progress as the year moves on. This information and the donation form will be e-mailed or mailed to all club secretaries; feel free to duplicate the form. This information and the donation forms will also be listed on our website.

We will continue to collect non-perishable food items and monetary donations at the upcoming District 14-K Meetings. I will deliver these donations to the Second Harvest Food Bank and register these donations. I hope all attendees will participate.

Lions pulling together can do great things; let's give this our best effort.

Yours in Lionism,
PDG Larry E. Snyder
Care & Share Chairperson

Among those at head table for rally were (l-r) PID Jim Cavallaro, PID Gene Polgar, DG Dennis Butz, Pa. State Council Chairperson PDG Jim Keener, 1st VDG Fred Folland, and PDG Linwood Gehris.

District Governor Encourages Dedicated Service at 14-K Rally

With 227 Lions, Lionesses and Leos in attendance, the annual District 14-K Rally was held on Thursday, Sept. 27 at the Northampton Memorial Community Center.

District Governor Dennis H. Butz, basing his talk on the theme of Lions International President Barry Palmer and his own, urged the members to "Follow your dream and deliver dedicated service in

14-K." He continued, "Dreams are plans that don't let you sleep. If we follow our dream it will not lead us astray. . . Someone in your community had a dream and these are the successful Lions clubs of today."

Noting President Palmer's goals of youth, feeding the hungry, and a cleaner environment, District Governor Butz listed his main goals for this Lions year: 50 new Lions, one new Lions club, chartering new Leo clubs, increasing female membership, and improving our public relations through social media. And he added, "Have fun while doing it."

Governor Butz noted that he didn't truly become a Lion when he joined the Emmaus Lions until one night during the Christmas season he visited a family and saw how Lions make a difference in someone's life.

He commented, "If we work together, success will take care of itself." DG Butz expanded his idea about the rally, "We need to rally to

come back strong. We are Lions who serve to help our fellow human beings."

State Leader Speaks

Pa. State Council Chairperson Lion Charles "Jim" Keener also had remarks at the rally. He announced that only two Lions clubs in the state have had membership increases this year, and District 14-K with nine is one of them. He commented, "Clubs need to be vital, current and appealing" and noted that in a few years, 30% of our members will be females.

Also at the head table with district cabinet leaders were Past International Director Gene Polgar and guest, P.I.D. Jim Cavallaro. In brief remarks, P.I.D. Polgar urged the members of District 14-K to "Get behind our District Governor and carry out dedicated service. Follow his dream."

First Vice District Governor Fred Folland served as emcee for the rally program and PDG-PCC Lowell Hawk gave the invocation, led group

GMT and GLT Workshop Well Attended Here

A large number of Lions and Lionesses from seven districts in eastern Pennsylvania attended a workshop on membership and leadership at Christ UCC Church, Airport Rd., Schoenersville on Saturday, Sept. 28.

For the most part they were club membership chairpersons, and Global Membership and Global Leadership Team members, along with several Past District Governors and the new International Director, Cindy Gregg.

One of the leading presenters was Past International Director Yamandu Acosta of Alabama, who stressed the building of new clubs. He initiated his remarks with the comment that Lions in America are in crisis, for we have lost 11,000 members the past two years. He attributes that to the members not being happy, a lack of activities in their clubs, lack of fun, and a sense of purpose, along with a downer in enthusiasm and a love for the movement.

He said new clubs are needed to fulfill needs in the community; with young people they would be rejuvenated, and families could be attracted. Formats of new clubs

District Governor's Message

Getting Back to Projects and Activities

Greetings, Lions, Lionesses and Leos of District 14-K: October is upon us, fall has arrived and the first quarter of this Lions Year is already behind us. This means that it is time to get back to our normal projects and activities. I've started to make my club visitations and it really makes me feel proud to be a Lion when I see and hear what your clubs are doing and are planning with your fund-raisers and service projects. Don't forget to publicize to your community what your club is doing. If you get your information to our District webmaster, Lion Joe Sizer, he will see to it that your events get posted to the District website.

October is White Cane Month when we get out and raise funds for our sight related projects. These funds help to support NE PA Lions Eye Bank, Leader Dog, Beacon Lodge and Lions Eye Care Center (Charitable Enterprises) just to name a few. When your White Cane Project has been completed, please send a report of your project to your District White Cane chairperson, Lion Jennifer Lynch. As part of our Global Service Action Campaign, Intl. President Barry Palmer has also designated October as working with the blind and visually impaired month.

We are once again asking the Lions and Lionesses of District 14-K to support and donate to their local or any other Second Harvest Food Bank pantry as part of our District 14-K "Care & Share" project. The need to support these food banks is still the same, but this year our district "Care & Share" chairman, PDG Larry Snyder, is challenging all clubs to participate all year long as one team, "Team District 14-K". All donations of non-perishable food will be weighed or estimated and each monetary donation of \$1.00 will be recognized as an equivalent of 9 lbs. of food. We have set a District Team Goal of 50,000 lbs. for the year. Your club will be receiving more details on this project. I have confidence that our "Team District 14-K" will meet or exceed this goal. Lions working together as a TEAM can do great things.

Our membership numbers are on an upward trend as we are plus nine in total membership for the first quarter. This is great news and I Thank You for your work in recruiting new members. Although this positive trend is very encouraging we still need to continue getting new members to give us more hands so that we are able to continue serving our communities. Each and everyone of us must become key parts of our Club's Membership Team. Every club member should try to invite a prospective member to a club meeting or service project so they can learn more about what Lions do to serve their community. How can we do this....."Just Ask!" Just Ask! Is the membership-recruiting program supported by LCI. Information about this program can be found on the LCI website or ask any member of the District Global Membership Team. There are new members out there and sometimes all we need to do is "Just Ask" them to become a member.

Please remember that in order to "Follow Your Dream" and to continue "Delivering Dedicated Service" will require all of our individual efforts. If we can find more individuals and more hands to get involved, that means we can accomplish more as "We Serve."

HELP WANTED

Have an interest in journalism or an eye for photography? Want the opportunity to learn from a professional journalist and newspaper editor? District 14-K is looking for one or more persons who would like to spend some time working with PDG Bill Halbfoerster as an apprentice and gain valuable experience on how to gather information about District 14-K events and put that information together to be published in the Tattle Tailer district newspaper. This is your chance. You will have the opportunity to become involved in reporting the District News, work with a professional journalist and at the same time the opportunity to serve your district. If interested, please don't hesitate to contact PDG Bill or DG Dennis Butz. No Experience Required.

Questions and Discrepancy in Hearing Requests

District Hearing Committee chairperson Lion Daniel J. Cortazzo reports that there were three requests forwarded to the committee since their last meeting. As of September 16, no action could be taken on them for various reasons.

In on application sent to a person for her mother on August 8, it was never returned to the committee. Another application was sent on September 10 and still no return.

An application was sent to a man, but after finding out he had an annual income of \$100,000, he was told he didn't qualify.

A third application for repair work there was a problem with different amounts cited by the patient and the repair person, so Cortazzo is waiting for the outcome in a letter signed by both parties.

As a result, the hearing committee's beginning and present balance in funds is the same, \$1,500.00.

October White Cane Month

October is the designated month for White Cane Day. Dist. 14-K chairperson Jennifer Lynch encourages clubs to pick an event to help participate in this activity. You don't have to hold your event this month, but she does encourage clubs to help bring awareness to the public by having some type of event and explaining what white Cane Day is all about.

You may also hold more than one event in order to raise funds for the blind. Each time you host an event/fundraiser complete an activity form and submit it to Lion Lynch at 6733 Horseshoe Rd., Orefield, PA 18069. If the event is held in October, submit your club form to her by November 2. You can also submit it by e-mail at jentrexler@hotmail.com

She has ordered 2,000 white canes with labels if your club is interested in purchasing them to hand out to the public. They cost \$6.00 per 100 canes. Notify her if you're interested.

Annual Lion Youth Leadership Seminar

Our annual Youth Leadership Seminar will be held on April 25, 26, and 27, 2014 at Camp Victory in Millville, Pa. This seminar is open to students in 11th grade only. The cost is \$125.00 per person.

We're looking for our clubs to sponsor kids from their local area to attend. Leos, sons and daughters of members, grandkids of members, or friends and neighbors of our members are good ideas for eligible participants.

Last year, our district only sent seven kids to the seminar. Six were sent by one club.

All of the kids who I talked with about attending the seminars in the past had nothing but praise about it. They were glad they attended and bonded with many of the other attendees.

I'd like to see each Lions and Lioness club in our district send at least one 11th grade student to the Leadership Seminar.

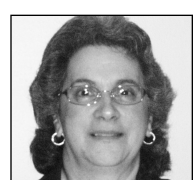

We are again partnering with our neighboring District 14-U in this project. More information will be sent out to the clubs in the near future. **Why would we not give an opportunity to develop future leaders among the youth in our district by sending them to this seminar?**

I'd like to thank the Lions and Lioness members for the many cards, phone calls and their thoughts and prayers in the recent death of my mother. It's heartwarming to know that our members care so much about each other. Thank you for being there for Diane and me.

Keep up the good work and remember to continue "Delivering Dedicated Service" and to "Follow the Dream."

Service Projects And Membership

Many of you participated in Journey for Sight. Thank you for getting sponsors, and taking the time to walk. Lion Richard Hanna did a great job coordinating this event. I'd like to thank him, his club, and his zone for the work they did to make this event a success.

October is White Cane Month. Many clubs hold fund raising events during this month, but your club can hold a fundraiser at any time. I hope you will consider this wonderful cause.

I'm looking forward to the State Council Meeting at the end of October. As a 2nd Vice District Governor, I attend training sessions at these meetings so that I am well prepared to take the step up to District Governor. If you have any interest in what is happening at the State level, you are welcome to attend State Council meetings. There are meetings and training sessions on Saturday morning, October 26, with the State Council Meeting taking place in the afternoon. All Lions are welcome! You can get more information on the Multiple District 14 Pennsylvania web site - www.palions.org - or feel free to ask any of us on the District Governor Team for more information. The meeting is in Hershey/Grantville, a short trip from the Lehigh Valley.

Thank you to the Clubs who have increased membership this year. Membership growth is vital to keep us strong. I'm challenging every Lion to ask someone to join Lions. We all know at least one person who would make a great Lion. Now is the time to ask that person to join. I want to hear about your successes, so please let me know what works for your Clubs.

We had a guest preacher in church recently. She told us how proud she is that we continue to help many others while our membership is declining. She feels that as word gets out about our good works, others will want to join us. Though we as Lions need to continue to work on membership, our service projects are a wonderful way to reach out to prospective members. You never know who might see your Club doing service in the community and may want to investigate membership. Make sure you have membership information with you whenever you are providing service to others.

If you are interested in the position of 2nd Vice District Governor for the 2014-2015 year, please let me know. I'm finding this a very rewarding experience. I'll be happy to talk to anyone who is interested in stepping up and volunteering for this position.

For present clubs to start another, Acosta said, they need to find areas of opportunity, work as a team, and have a guiding Lion to work with the new Lions for two years. He said there has to be a need in the area that the club can meet, and find out what it is. Take interested people to a nice place for three meetings, and they may then join Lionism.

Membership chairpersons should have a committee in their clubs as well as in a zone, and get monthly reports on recruitment and satisfaction. "Create a plan for membership satisfaction," PID Acosta said, including making them feel welcome, serving on committees, making them feel like they are part of a family,

PDG Judy Dudley of 14-U had pointers on "Is Your Club a Team?" She compared Lions to football. Players and Lions have different skills; they need to be

kept informed; there needs to be a full slate of officers; our play-books are the Constitution and By-laws.

Team members must be experienced and they must show interest; there has to be two-way communication. Other points: Be

**PENNSYLVANIA MULTIPLE DISTRICT 14 STATE COUNCIL OF LIONS
STATE COUNCIL ADMINISTRATOR
Administrative Opening**

The Lions of Pennsylvania has an opening for a highly energetic, innovative and collaborative leader with demonstrated experience facilitating and administering the services necessary to carry out the directives issued by the State Council of Governors of the Pennsylvania Lions Clubs.

QUALIFICATIONS: The successful candidates should have the proper Education/Experience of a professional and the responsible nature in business administration, public relations and management. They should have considerable knowledge of Lions Clubs International to include structure, policies, activities and programs. Knowledge of the PA Multiple District function would also be important. The ability to plan, lay out and direct administrative services as well as communicate effectively both orally and in writing is an important part of the position.

POSITION ACCOUNTABILITIES: This position will require multiple accountabilities including: the direction of administration and staff at the State Headquarters Office; Schedule and program State Council Meetings in conjunction with the host District and the Council Chairperson; Assist State Council in the organization and administration of Multiple District Conventions, major conferences and meetings; Assist Council in the preparation of its budget under the direction of the Finance Committee, arrange for proper banking and disbursement of funds; Work closely with all standing committees by assisting them in the accomplishment of the programs and goals; Provide assistance as needed to District Governors. The State Council Administrator will have full authority to hire and dismiss all office personnel.

The candidates should also have a level of experience in planning, coordinating and negotiating with hotels and various meeting places that could accommodate a Lions of Pennsylvania Council Meeting or State Convention. The Administrator would have the responsibility of working with and advising the Host Committee Chairperson on all aspects of related expenses for the event.

Other duties and responsibilities that are required to administer and support the needs of the Lions of Pennsylvania and the State Council of Governors on a daily basis will be a part of the Administrator's roles.

All interested candidates must submit a resume by the close of business November 30th, 2013 to:

reliable and trustworthy, have a positive attitude; participate in discussions; stay focused.

There were presentations on membership awards and incen-

tives, the team concept of a club, and membership success. All in all, the workshop stressed being positive.

DG Dennis Butz welcomed the group from Districts A, H, P, R, U, and W as well as K. Refreshments were provided by the Emmaus Lioness Lions Club.
