SEPTEMBER 2019

## District Governor's Message September - 2019

It's a Great Time to be a Lion, Leo and Lioness!

A new year is upon us and time is already going too fast.

Lion Cindy and I returned from Milan, Italy refreshed from attending the International Convention. There were about 36,000 Lions from around the world in attendance. All the attending 1<sup>st</sup> Vice District Governors were sworn into office as 2019-2020 Governors. The five-day event was filled with seminars, entertainment, and fellowship. The days were very long but rewarding. Our post-convention vacation in Italy was much needed – so was the great wine and food offered wherever we went.

At the convention, International President Dr. Jung-Yul Choi spent several days with the new governors and described his hopes and wishes for the 2019-2020 year. Dr Choi's theme is **"Diversify Your Service – We Must Reach Within"**. Diversify by adding more new members, younger members, more female members, more specialty clubs, while retaining our existing members.

My theme for this year is "Focused on Service" - and I will try to get more clubs doing "hands-on" service in their communities.

Please be sure to read the first new copy of the District 14-K Tattle Tailer. It should be ready in early September by our new managing editor, Lion Ana Toolan. There will be many items posted about our clubs and the District for the upcoming months. The Tattle Tailer can be found on the District 14-K website [lions14k.org](http://lions14k.org)

I hope every Club works on member retention & membership growth during the summer months and takes every opportunity to invite potential members to your summer events and fundraisers. Seek new partners so your Club can make a bigger impact in serving your community.

In Lionism,  
DG Don Kaufman

## 1st Vice District Governor's Message

Our new Lion Year is off to a great start! District Governor Don Kaufman was installed in Milan Italy along with our new International President, Dr. Jung-Yul Choi, of the Republic of Korea.

The Banner Exchange was wonderful. Thank you PDG Karlene Laub for a fantastic year! Her changes from the norm were inspiring to me. Change is something we need.

When I was at the PA Lions State 1<sup>st</sup> Council meeting, I was approached at dinner by another 1<sup>st</sup> Vice District Governor who advised me not to do the same as it has always been. He was returning to a Leadership role as he was a PDG. Again, a reminder about change....

As our New Year kicks off, membership is something that we need to address every year. My club has had a tremendous increase. Why, because we don't do things the way they have always been done. We reach out and bring in members with new ideas. We discuss them and do new things we never did before. An example is National Night Out, a new program sponsored by each community across the Nation to meet your local Fire and Police departments. Free food, games and prizes.... We went there in full force with handouts, give-aways, and provided free sno-cones, sodas and water from a Coke wagon one of our Lions purchased. We recruited 3 new members. We can't wait until next year as National Night Out is growing by leaps and bounds.

We have assured that our Club will continue to grow with the next generation already in place and taking leadership roles. It should be a goal of every club to achieve this. Standing still is falling behind.

We are all unique in our own ways. It is not always easy to see "Eye to Eye." That is when it is most important to use our listening and communication skills to keep everyone focused on the mission of "We Serve."

I look forward to seeing those Lions I know, meeting those Lions I don't know yet, and working with each of you in the future.

Yours in Lionism,  
1<sup>st</sup> VDG Dan Lombardo

## 2nd Vice District Governor's Message

District 14-K Lions, Lioness, and Leo Clubs are starting a new year, working with newly installed officers, setting new goals, planning fundraisers, and most importantly determining how we can best SERVE our communities. As you make those plans, keep in mind our five focus service areas: Vision, Hunger, Diabetes Awareness, Pediatric Cancer and the Environment.

Environment - We all have a responsibility to keep our planet clean, safe and healthy for the generations after us. For a real sobering eye opener, check out this website: [www.theworldcounts.com](http://www.theworldcounts.com). 1<sup>st</sup> Cabinet Meeting, 8/17/19, DG Don encouraged each club to plant tree(s) and place a Lions plaque near the tree. If a club needs suggestions of where they might plant a tree, reach out to your Borough or our Environmental Chair Marty Lower for suggestions. In the most recent online issue of Lion Magazine, you may have read a featured article Growing Up Green. Why not work in conjunction with a local scout troop, youth group, or schoolchildren; clubs providing saplings; and have a special day for planting trees. (DG Don encourages clubs to wear your Lions Vest for visibility at all service functions.)

Diabetes Awareness – November is Diabetes Awareness Month. Does your club have a Diabetes Awareness Chairman and committee? Penn State Extension is offering a 5-session training program for Lions: "Dining with Diabetes." For Lehigh County: located at Catasauqua Municipal Bldg, 90 Bridge St, Catasauqua; Sept 5, 12, & 19, Oct 10 & 24, 2019, 5:30-7:30 p.m., \$19.00 pp. Registration deadline Aug 29, 2019.

Due to family prior commitments, I will probably miss the Rally and Needs Breakfast. If you can, be sure to attend the Rally to kick off and support DG Don's governing year. I understand you are in for a real treat: prepare yourself for a FUN evening!

I look forward to this New Year as your 2VDG. Please know I am available to visit your clubs and willing to assist clubs in any way.

Yours in Lionism  
2VDG Debbie Lillegard
