

Lions, Lionesses & Leos,

The reins of Leadership have been turned over to me as Governor of Lions District 14-K.

With your help we can continue making progress by recruiting additional quality Lion Members and setting our sites on exceeding the 1250 mark.

As you read this, I make it relatively clear what my goal is.

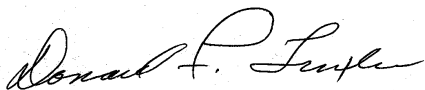

Another one of my goals is to reach 100% participation in all endeavors of Lions Clubs International.

As I meet with you at our visitations, please come and talk to me like a brother about your families, personal interests, or anything that comes to mind.

My motto for my year as Governor in 2008-09 is "SERVICE TO HUMANITY THROUGH GIVING"

We serve – humanity!

Yours in Lionism,
